

DRIVER/HELPER

Want to work for a company that's not so big you're lost in the crowd, has benefits, AND room for you to climb the ladder? We are a small family owned and operated business seeking a driver/helper to join our team. A great attitude, strong work ethic, and a willingness to learn are a must.

JOB PREREQUISITES

Qualified applicants must:

- have a valid drivers license and a clean driving record.
- have at least one year of experience driving a truck and trailer loaded with equipment.
- be self-motivated, positive, and willing to perform multiple job tasks as needed.
- be able to show a professional demeanor on every jobsite.
- be able to come to work on time and every day.
- be able to take instruction and follow safety rules.
- be able to lift at least 80 pounds.
- be able to work outdoors in both hot and cold weather and varying weather conditions.
- be able to legally work in the United States.

JOB DUTY DESCRIPTION

- Gather tools, equipment and materials needed to complete project.
- Check truck and trailer for proper working condition. If unsafe conditions are found, correct them or alert supervisor.
- As applicable, attach trailer, load tools, equipment and materials.
- Confirm that all equipment has been safely loaded and secured.
- If material pick-up is required, confirm that correct materials and quantities have been provided by supplier.
- Determine safe and appropriate locations to park truck and trailer at jobsite.
- If Client is present, greet them in a friendly manner.
- Safely unload tools, equipment, and materials and stockpile in appropriate location on jobsite.
- Physically assist the crew with all phases of construction.
- Use hand and power tools.
- Remove trash and debris from jobsite each day.
- Make sure tools are clean and all items are neatly loaded onto the truck and trailer at the end of everyday.
- Collect material receipts, label them with the job name, and turn them in to the office at the end of every day.
- Take photos of various stages of work using company app.

Other Job Duties:

- On days when the weather is not conducive to construction, complete other maintenance tasks at the construction yard such as organizing tools and materials, maintaining equipment, etc.
- Attend staff meetings.
- Attend safety and educational seminars.
- Other duties as specified by the supervisor.

BENEFITS SUMMARY

- Overtime pay
- End-of-year bonus
- Paid time off
- Retirement plan
- Health plan
- Sam's Club membership
