

ART CLASSES with Mrs. Kohli

Beginning Friday, September 17th 10am-11:30am
Greater Wausau Children's Museum
10101 Market Street Suite D70
Rothschild, WI 54474

We will be exploring a variety of materials and providing a space for children to feel joy in their creativity. All ages welcome!

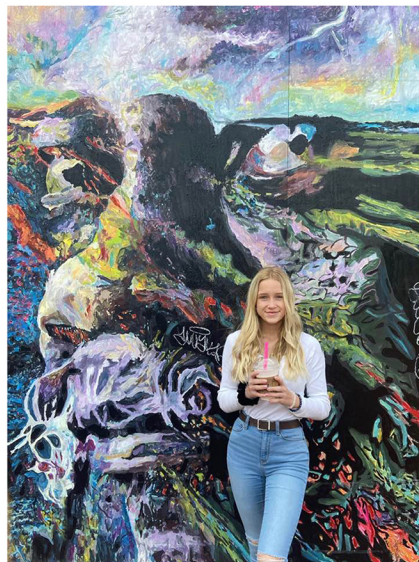

My name is Stephanie Kohli and I'm the owner of Stephanie Kohli Art LLC and a founding member of Rise UP Central Wisconsin. I live and work in Wausau Wisconsin where I love to paint everything from large murals to small canvases. I have a degree in graphic design - so I also work on photography, logo design and many other creative projects.

I've won Best In Show for both the 2019 Art Lives Here competition and the 2019 Exhibitour. Many of my works are public murals and can be found throughout the community while others are located in private residences.
