

# GAP Unlimited

In the event of a total loss, your primary insurance carrier covers only the CURRENT value of your vehicle, less the deductible. That means YOU would have to pay off the outstanding balance of your loan or lease even though your vehicle is gone!

DLP GAP Unlimited Protection can pay off the balance left over after the insurance payout on your loan or lease, as well as the deductible for you!

**DLP Gap Unlimited  
covers you for what your  
insurance DOES NOT!**
