

## EOTAS SUPPORT PACKAGES

**Tiers of support  
for parents and  
local authorities.**

### Standard

**Qualified and skilled SENDCo to review and measure progress.**

- Three Graduated Approach review meetings across the year (preparation, chairing, and follow-up).
- EHCP-compliant written reports after each review to support annual review discussions.
- Advice and guidance during every meeting.
- Ongoing sharing of resources and good practice tips for providers.
- Half-termly updates to you as the budget holder.
- Half a day per term for admin, coordination, and provider liaison, as required.

Ideal for parents who want structured progress reviews and reassurance that their child's EHCP is on track without needing intensive provider management.

**GRADUATED  
APPROACH  
SUPPORT**
