

SEND PARENT SUPPORT PACKAGES

Tiers of support for parents navigating the SEND system

Standard

Qualified and experienced SENDCo will provide:

- Up to 1-hour phone or online consultation to discuss your case.
- Follow-up advice and guidance via email to support your next steps.

Best for: Parents struggling to navigate school conversations or initial diagnosis discussions.

ADVICE & GUIDANCE

Advanced

Includes everything in Standard, plus:

- Sharing of the parental EHCP application form.
- Advice and guidance on how to complete the form.
- Proofreading of your completed content.
- Follow-up email advice to refine your next steps.

Best for: Parents who want expert, legally compliant reassurance and step-by-step guidance through the entire process.

EHCP APPLICATIONS & SUPPORT

Expert

Includes everything in Advanced, plus:

- Advice and guidance once the EHCP request to assess has been processed.
- Mediation support (if requested).
- Ongoing advice through the tribunal process.

Best for: Parents who want expert, legally compliant reassurance and step-by-step guidance through the entire process.

FULL PROCESS & ADVOCACY

ABOUT US

The SENDCo Services team is here to take the stress out of the SEND process. We're qualified, independent SENDCos with years of experience supporting families. We offer clear, jargon-free advice with support that's focused on your child's needs. Our goal is to make sure your child's needs are met effectively – without you feeling like you have to fight alone.
