

## Tiers of support for schools and their SENDCos

### SENDCO SUPPORT PACKAGES

#### Standard

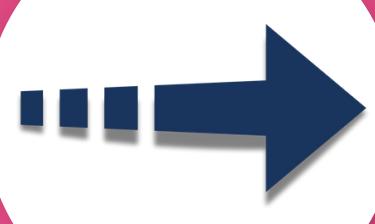

Qualified and skilled SENDCo to keep things running.

- Statutory SENDCo duties
- Parental meetings
- Crisis management and backlog clearance

Ideal for short-notice, ad-hoc cover or practical on-site support to share workload with your SENDCo.

This package keeps SEND provision compliant and operational while offering stability during busy or challenging periods

#### OPERATIONAL SUPPORT

#### Advanced

Qualified & experienced SENDCo/SLE offering targeted improvement and specialist coaching.

- Practical support with parental meetings & EHCP reviews if needed.
- Bespoke package tailored to school priorities.
- On-the-job CPD for in school SENDCo.

This package reflects an SLE-style approach — perfect for SENDCos who want supportive coaching to boost confidence, manage their workload effectively, and embed practical, sustainable SEND systems that improve efficiency and outcomes.

Builds on the Standard package by adding targeted professional development and structured improvement planning.

#### DEVELOPMENT SUPPORT

#### Expert

Advanced package plus leadership-level support to transform SEND provision.

- Team teaching and in-lesson support
- Strategic SEND review and action planning
- Practical workload sharing for the in-school SENDCo
- Robust statutory compliance and priority area delivery

Ideal for SENDCos new to post, or schools recovering from absence in the SEND leadership role.

Delivered by a skilled, qualified SENDCo with SLT experience, this package combines operational cover with high-level leadership input, ensuring both immediate compliance and long-term strategic improvements.

Builds on the Advanced package by adding schoolwide capacity building, SLT-level strategy, and in-class teaching support for maximum impact.

This package does not compromise long term strategic design and impact.
