All questions not covered in these rules and regulations shall be decided by the show management whose decision shall be final.

Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be condition of entry that each exhibitor shall hold this horse show and the officials and employees of the show blameless for any loss or accident to his horse, employees, equipment, which may occur from sickness, fire or otherwise.

The management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit entries and cancel award prizes without claims for damages; to cancel or combine unfilled classes, or to reschedule classes after due notice to exhibitors; to change rings or rotate judges.

Exhibitors are notified that any act of discourtesy or disobedience to the judges or officials, on the part of the owner, manager, rider, or groom shall disqualify the horse, and the owner shall forfeit his entry fee and other fees.

Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation.

In accordance with the 1989 Federal Waste Tracking Act, which restricts the disposal of medical waste, bio-hazardous medical waste containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste.

No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform.

It is the tradition of the show that riders be correctly attired for the class in question, that attendants be neatly dressed and the horses properly presented. Management may in its discretion bar any person from entering the ring if not suitable presented to appear before an audience.

No Shows: "A No show" will be considered a scratch for the rest of the show and time slots may be filled unless special prior arrangements are made with show management. Exhibitors enter with this understanding and agreement.

Riding Times: Unofficial, provisional ride times will be emailed and posted to Tamarack Stables FB page as well as website. Riders will be notified by email when ride times are posted on the web page. It is the responsibility of the rider to inform the show management of any time conflicts as soon as possible after the posting of provisional ride times. Adequate time intervals cannot be guaranteed when rider has entered multiple horses or if a horse has more than 1 rider.

Announcements: Class announcements and ride time announcements are a courtesy to the exhibitor. Exhibitors are responsible for presenting themselves to the correct ring at their designated time and accept full responsibility for doing so. Show management will make every effort to maintain a working public address system, but it is stressed that it is still the exhibitor's responsibility to be on time. No protest will be upheld, nor any ride time changed, on the basis of a public address system breakdown, missed announcement, or failure of the exhibitor to meet their responsibilities. Ring stewards will also make every effort to keep people informed and entering the ring in a timely fashion. Exhibitors are responsible for knowing the correct show time and their scheduled performance time, regardless of public address system announcements or ring stewards.

Health Requirements:

Coggins (EIA): An Original Negative Coggins (EIA) Report **listing the horses recorded show name** and dated within the current calendar year must be presented on the day of the show before any horse may be unloaded. Coggins Report must be legible. In addition, a photocopy of the current Negative Coggins Report is required with your entry form. The State of Iowa requires a health certificate current within 30 days for all horses entering the state.

Competition management may request that horses not in compliance with vaccination requirements leave the competition grounds.

Schooling: Lunging is allowed only in designated lunging areas. Mounted schooling is NOT permitted in the same area as lunging. Lunging is NOT permitted in the competition arenas.

No refunds due to weather, acts of God, emergencies, or accidents. The overhead of running the show still exists even when you cannot trailer your horse to the show. Please call and let us know that you are cancelling so we may make adjustments to the schedule.

Hazardous Weather/Acts of God/Accidents/Emergency Policy: Management reserves the right to cancel any classes due to hazardous weather, Acts of God, accidents, or emergencies. There will be no refunds for cancellation due to weather, Acts of God, accidents, or emergencies.

Awards: Ribbons to 6 places for classes. Divisions: (JR/AA/Open) may be run concurrently as one class. Divisions will be pinned separately. Classes that do not specifically designate divisions in class list are offered in Open division only. Management may split Open divisions into JR, AA, and/or Open divisions in classes with Open divisions only. No separate awards for GAIG Qualifying classes.

MISCELLANEOUS INFORMATION:

HEAD GEAR: All riders at all levels are required to wear approved helmets anytime when on a horse on the show grounds.

Exhibitors are reminded that entering a horse in classes differing by more than one dressage level is prohibited.

Exhibitors are reminded that a horse must wear its number whenever it is out of its stall.

WARNING: Under the Equine Liability Act, each participant who participates in an equine activity expressly assumes the risks of engaging in and legal responsibility for injury, loss, or damage to persons, or property resulting from the risk of equine activities. Horses by their inherent nature present a risk. Tamarack Stables LLC and/or its representatives, including but not limited to the show, the management, the show committee, employees, and volunteers will not be responsible in any way for any loss or damage or injury to horses exhibited or on show grounds or for any article of any kind that may be lost, destroyed, damaged or in any way injured. Each exhibitor will be responsible for any injury that may be occasioned to any person, whomsoever, by any horse owned or exhibited by said exhibitor and shall indemnify the show, the management, the show committee, employees, and volunteers, the USEF and USDF or any member thereof, against all claims and demands, of any nature or kind, that may grow out of any injury occasioned by any horses owned or exhibited by them, or arise from the negligence of the person in charge of any such horse.

All horses exhibited in this show participate entirely at the owner's risk. Neither the organizing committee, show volunteers, show staff, the facility or its owners, any host GMO, USEF or USDF or their members will be responsible for any damage, injury, or loss to persons, horses, or property of exhibitors or spectators. All owners, trainers and competitors are personally responsible for damages to third parties caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.
