ABOUT US

Ghostbusters: Texas Rangers Division is the first Ghostbusters fan organization in North Texas to be a registered 501(c)(3) nonprofit charity group.

Our Mission

We bring Ghostbusters fandom to life through high-quality, authentic costumes, props, and public appearances that raise awareness and funds for local charities. Every appearance is an opportunity to spread joy, nostalgia, and community spirit throughout the Dallas-Fort Worth Metroplex.

HISTORY

What began in 2023 as a local fan group quickly turned into a dedicated Ghostbusters fan franchise. Starting with a dedicated volunteer team, Ghostbusters: Texas Rangers Division established strong community ties and became a staple at events throughout North Texas.

The organization received its official recognition as a 501(c)(3) nonprofit organization in 2025. This unique status confirms the group's dedication to giving back and structured charitable fundraising as the first organization of its kind in the region.

Building on relationships with local children's focused organizations, Ghostbusters: Texas Rangers Division created a legacy of service for its local communities.
