

BACK to SCHOOL 2025

at community partners of dallas

"Because of CPD's Back-to-School Drive, seven siblings on one of my caseloads were so excited about returning to school with brand new clothes and cool, new backpacks.

All the kids modeled their new backpacks and then had their caregiver send me a group photo.

I was so happy to be able to put smiles on their faces."

Dear Nicholas,

You have helped to make a positive impact on a child through your donation of school supplies to Community Partners of Dallas for our Back-to-School Drive. Your support will empower the children we serve to start the school year off with the important tools they need to succeed in the classroom and in life.

The need for support is great, and YOU made a difference! We thank you for equipping the kids with brand new school supplies. Because of you we are able to positively impact the lives of more than 20,000 abused and neglected children in Dallas County each year—thank you so very much.

Thank you for giving abused children what they need today to thrive tomorrow. Together we will make their childhoods safer, show them they are treasured, and fill their futures with possibility.

With gratitude,

Ashley Davis
