

“You’ve had a fun day, but now it’s done.”

“But I don’t want to go to bed, it’s time for my run.”

“Ulysses, it’s time to go upstairs, and don’t you stall.”

“But I don’t want to go to bed, I want to catch my ball!”

**“Tomorrow is another day,
with lots of time to laugh and
play.”**

“Before long, you’ll be waking up,

“and going outside to play you lucky pup.”

**“Now climb into bed,
and give me a hug.”**

**“But I don’t want to go to
bed, I’d like to pull and tug.”**

“I’ll cover you up,
and kiss you good night.”

“But I don’t want to go to
bed, I want to play fight.”

“It’s getting very late, 
it’s time to go to sleep.”

*“But I don’t want to go to
bed, I want to have a treat.”*

“Ulysses, it’s time to go upstairs, and don’t you stall.”

“But I don’t want to go to bed, I want to catch my ball!”

“Tomorrow is another day,
with lots of time to laugh and play.

“Now it’s time to listen to me
and get ready for bed, do you agree?”

**“Now climb into bed,
and give me a hug.”**

**“But I don’t want to go to
bed, I’d like to play tug.”**

“I’ll cover you up,
and kiss you good night.”

“But I don’t want to go to
bed, I want to pretend fight.”

Momma turned the light off,
and pulled the door shut.

She had been right, he was
a tired pup.
