

## FOR IMMEDIATE RELEASE

### Nicole Tito's Debut Children's Book, "Boo Boo Babcia," Now Available on Amazon

**Chicago, IL—September 25, 2025**—Author and longtime paranormal investigator, Nicole Tito, announces the release of her first children's picture book, *Boo Boo Babcia*, now available worldwide on Amazon.

Boo Boo Babcia isn't your ordinary grandmother—she's a friendly ghost who loves visiting her family! From stirring up magical smells in the kitchen to sharing silly stories and surprising hugs, Boo Boo Babcia's love never fades—even from the other side.

Perfect for children ages 4-8, this heartwarming rhyming tale is filled with cozy family moments, gentle spooks, and a timeliness message: the people we love are always with us. Boo Boo Babcia is also the first in a planned series of stories featuring different ghostly grandmothers, each with her own magical way of showing love.

"I wanted to create a story that brings comfort and joy to children, showing them that love continues in many forms, even ghostly ones," says Tito. "Boo Boo Babcia celebrates family, imagination, and the bonds that never disappear."

#### **Availability:**

*Boo Boo Babcia* can be purchased in paperback format on Amazon. Signed and personalized copies are available through the author's official website, [www.ghostly-voices.com](http://www.ghostly-voices.com).

#### **About the Author:**

Nicole Tito is a Chicago-based author, project manager, paranormal investigator, and mother, with over two decades of experience exploring haunted locations across the country. While her previously published work has focused on the paranormal, *Boo Boo Babcia* marks her debut in children's literature, playfully blending her love of ghosts with her Polish heritage and family traditions.
