Dear Ms Drisdale-Gordon,

Re: Block Scheme for Members of BACP

Thank you very much for your payment of £57.35.

We have pleasure in enclosing the following documents for your attention:

- A policy schedule for your Professional, Public and Products Liability Policy
- A policy schedule for the Commercial Legal Protection Policy

Your Online Account

Please follow this link secure.balens.co.uk/signup.aspx?ref=CRSBFHLBBT in order to create an account on our online secure site where you'll be able to:

- Access all your policy documents in one place
- Make simple changes such as change your address, email address or phone number
- Renew your policy, where applicable
- Contact us via a simple form to let us know about any other changes to your policy

Please notify us as soon as possible if during the period of Insurance there are any changes in circumstances or in the material facts previously disclosed to us. Your policy is on a claims occurring basis, which means that if you stop the policy, it will always be in place if a claim was made at a later date for work done within the policy period and this is for an unlimited period of time. If discontinuing, kindly let us know the reason so we can mark your records accordingly.

Please be aware, you are responsible for disclosing complete and accurate information and every material circumstance which insurers require in connection with any proposal for insurance cover. If you do not make a fair presentation of the risk the policy may be avoided, written on different terms or a higher premium may be charged, depending on the circumstances of the failure to present the risk fairly.

The policy has been issued, unless otherwise stated within the policy Schedule, on the understanding that you made a fair presentation of the risk to be insured.

Please remember in the event of a possible claim or incident please contact us. Please do not admit liability or mention that you are insured to a possible claimant. This enables insurers to protect your interests.

Your Policy Cover

Please refer to your policy wording for full details of all sections of cover, conditions, exclusions and extensions. We would like to highlight Condition 2, Section A that
