We make your meal to order so that it's fresh and delicious. It may take a little time, but it's worth it!

Geraldine, or Mom as we know her, is the inspiration for this menu. She was an excellent cook and a terrific hostess and was always looking for new recipes to clip and try. She also loved to try different restaurants, and we know she would have frequented a place like ours. We hope you enjoy our tribute to her Kitchen!

Consuming raw or undercooked meats or eggs may increase your risk of foodborne illness.
