2021 Golf Season

Dear friend of WNY,

It's time to hit the links, but don't forget your sunscreen! Join me, Dr. Michael Nazareth, and your fellow Western New York neighbors at Transit Valley Country Club on Monday, July 13th for the Love of Skin Foundation's golf tournament.

Melanoma-related deaths have increased drastically. More people get skin cancer from tanning beds than lung cancer from smoking. It is the leading cause of cancer-related death in women ages 25-30 and approximately 500 American children are diagnosed with melanoma every year. Unfortunately, many people are unaware of how widespread a problem this is, but also how easy it can be to prevent or diagnose and cure if caught early.

Every dollar raised at Love of Skin Foundation events, like the golf tournament, goes towards fueling our mission to educate the community on the dangers of skin cancer and to reduce the number of deaths associated with melanoma. We provide sun shades for parks, SPF clothing, and sunscreen for Western New Yorkers of all ages. We can't do this, however, without your support.

I hope you will consider joining our mission by golfing with us. If you have an in-kind donation that can help defray the cost of the tournament such as bottled water, golfer gifts, or snacks for the course, we can build a sponsorship package with exciting benefits to thank you for your generosity.

To reserve your foursome, please fill out the included form and return to:
