

**SWFSA NEWS -
February 2021**

This years AGM and Presentation would have been today so I thought it would be a good time to put out a newsletter.

The committee has met over Messenger to discuss how and when we should conduct the AGM. There were no proposals brought forward from the membership and The committee had also nothing to table. There were no specimen or rule changes applicable this year.

We have secured a New Treasurer and would like to welcome Zina French onto the committee. Everyone else was prepared to stand again.

The appointment of Zina is the only thing that would of needed to be ratified at the AGM. This has been ratified by the committee.

It was noted that several organisations have been able to role last years Rules from the previous AGM to extend to cover 2021.

We therefore are adopting this method whilst within the Covid situation.

We also received a request from Phil Cocker to join the committee. This was gratefully appreciated and he was accepted on.

Handbooks and printing of certificates is currently in progress.

Once these have been done we will post out to the Club contacts for distribution.

Thanks for being patient, as you can imagine, things are not so easy to do this year!

FOTM and Other awards winners have been detailed on the next pages Congratulations to all the winners. We will look to post out your awards at the earliest opportunity.
