

SWFSA NEWS -

March 2020

The AGM was well attended with 8 clubs represented and several of the Personal members in attendance.

Thanks to Sidmouth SAC for hosting this event for us!

All Committee stayed the same as last year, but we would like to strengthen the committee with a few more people. Please come forward if you would like more information.

This rule change regarding acceptance of fish weighed on a boat was ratified unanimously .

It was noted that there are several Scales certificates outstanding and that we need to supply these to the Fish recorder at the earliest opportunity. The length of a scale certificate being valid is now 2 years.

SWFSA Insurance.

The increase in subscription to £80 that we applied this year and the number of clubs taking up the insurance has resulted in covering the shortfall. This means that we will be able to offer the insurance going forward.

We will monitor this on a year by year basis to provide the

SWFSA Website.

The Website rebuild is progressing. I am still looking for the membership to supply me with information to share with our community.

If you have any open comps etc. I can add them to our site also photos to add to the Gallery would be appreciated

Fish Recorders report.

33 fish have been recorded so far this year.
