Subject: Thank you!

Maria – Thank you for all you have done to help us with the various projects you were assigned! You are a true professional; organized and efficient in your projects, proactive with the team, never empty handed with recommendations or questions about tools, and a willing collaborator with the project team(s). I want to mention specifically that I don't think we would have been able to complete the ICS DMZ project without your engagement and organization. Thank you!

I wish you continued success in your next role! Have a Merry Christmas and enjoy your well-deserved time off!

Regards,
Ben Enns
Sr Project Manager
