Bring the story to life!

Must-Have Storytime Resource for Schools & Classrooms!

Bring financial literacy and character education to life with this fresh, positive retelling of the classic tale *The Three Little Pigs*. Designed especially for schools, classrooms, libraries, and early learning programs, this engaging story helps students explore important life skills, including spending, saving, budgeting, kindness, manners, and wise choices.

Meet the Three Little Pigs Like You've Never Seen Before!

LeLe, CeCe, and BeBe, the **Money-Math Coaches**, embark on a humorous journey that explores different approaches to managing money. As they experience the consequences of their choices, young readers discover valuable lessons about **spending, saving, budgeting, and making wise decisions.** Just when everything seems to be going smoothly, a **rude, lonely wolf** arrives—bringing an unexpected and entertaining twist to the story.

NO MORE BIG, BAD WOLF
