Smoother Safer Towing

Shocker Hitch is on a mission to make towing smoother and safer. We've been manufacturing air bag bumper receiver hitches for pickup trucks and air ride hitches for gooseneck trailers for over a decade. We also manufacture the air equalizer for weight distribution hitches, solid gooseneck replacement stems, the shift lock gooseneck coupler, impact cushion ball mounts, air trailer tongue mount couplers, pintle hitches and more. Browse [all Shocker Hitch Products](#). In addition to our air hitch products, we also offer a wide range of [ball mount attachments](#) and other hitch accessories. Made in the USA! Our manufacturing facility is located in Arthur, ND and we are here to help.
