About WIT

How It all *started*...

Women in Technology of Northwest Arkansas (WIT NWA) started as our founder moved to the NWA area and wanted to plug into a community of women and allies in technology. There were no existing groups available, so she started the Women in Technology of NWA. The vision for this organization was to be more than just events to plug into. The vision stems around changing the numbers of underrepresentation of women in the technology and STEM spaces. This means that action, around awareness and enablement, must take place. This organization will focus on connection, growth, community, and awareness for our current generations, as well as our next generation, through our Girls in Tech Program. Our vision is to connect, inspire, and empower women in technology to close the gender gap and to help women embrace technology.

Our Mission

The mission of the Women in Technology (WIT) is to create a community, for women with careers in technology, to grow through networking, collaboration, connection, mentorship, and professional development.

Our Major *Achievements*

Connection & Growth

Monthly Network & Connect Events
Quarterly Connection & Learning Events
Mentorship Programs (1:1 & Circles)

Awareness & Enablement

Certification Program
Study Prep Program for Certification
Girls in Tech Program
(Mentorship, Events, Education, & Community Outreach)

Community Outreach

Community Partnerships created
Financial donations and support to local non-profits
Partnership with local schools for outreach, awareness, & learning/development opportunities

Impact

1

Membership

By becoming a part of this community, Members receive the following benefits:

- 2 Free Quarterly Events (\$50 value)
- WIT Pin and Sticker
- Early Access to Event Sign up
- Monthly Newsletter
- Access to all WIT NWA Programs including
- Access to Education and Certification Programs
- Access to Tech Recruiting Network

2

Connection, Networking, and Growth

Plug into the Northwest Arkansas community by attending out monthly or quarterly Network & Connect Events. You will meet other men and women that have a passion for connection, community, and technology. We have between 70-150 in attendance monthly, from over 52 companies, across NWA. As part of your membership, you can participate in any of our WIT NWA Programs: Mentorship Programs, Specialized Breakout programs (Product, Engineering, Data Science, Cybersecurity, etc.), and so much more.

3

Awareness & Enablement

WIT NWA has released a Certification Program for women in the community to either enter Technology or further expand her skillsets through FREE certifications. Our Study Prep program allows for women and allies that are going to take specific certifications (to include those being offered by WIT NWA and others) to come in and partner with a fellow member to ensure they are prepared and ready to pass. WIT NWA also focuses on Awareness and Enablement of our next generation through our Girls in Tech program, that focuses on mentorship, Events, Education, & Community Outreach for our girls, ages 12-18.

4

Community Outreach

WIT NWA has created connections and partnerships with companies across NWA. We have and will continue to ensure that we are making time and financial impact and donations to other non-profits and organizations that are set up to make a difference in this community. WIT NWA is focusing also on partnership with local schools for outreach, awareness, & learning/development opportunities for our next generation.

Event Sponsor Details

Quarterly Events

Our Quarterly Summits are dynamic events, we draw 150+ attendees depending on venue, including both members and non-members. Non-members can attend for a \$25 fee, while WIT Chapter members receive two complimentary tickets through promotion codes. The event focuses on fostering community engagement and includes a variety of food and non-alcoholic beverages.

We collaborate with corporate partners and their Employee Resource Groups (ERGs) to showcase the strengths of both organizations. Sponsors at all levels—Silver, Gold, and Platinum—will have the opportunity to host a table at our Partner Showcase, which functions as a networking and exhibition space, similar to a tradeshow.

In addition, our summits feature our Girls+ in Tech program, where boys & girls (12-18 years old) break into groups for age-specific activities while our adult panel discussions take place. As a sponsor, you'll have the opportunity to select speakers and suggest relevant topics that align with the interests and needs of our diverse audience.

Monthly Networking Events

Our Networking Events are designed exclusively for casual, informal networking, providing a relaxed environment for meaningful connections. We are also open to exploring other venue options based on the sponsor's preferences and needs.

Each event lasts for 1.5 hours, with a brief 10-minute discussion on a relevant topic to kick things off.

We aim to keep the atmosphere informal—no PowerPoint presentations—allowing for organic conversations and networking. Please note that these events will feature alcohol, and they are strictly for adults (no children).

As a sponsor, you'll have the opportunity to select the lightning topic and speaker for the event, as well as set up a table to showcase your company, share recruitment opportunities, and engage directly with attendees.

National Sponsorship

Becoming a National Sponsor starts at just \$1,800, with the option to give at any level that feels right for your organization.

Your support makes a direct impact—helping us expand Women in Tech into more cities across the U.S. Every dollar raised goes toward the starting costs of launching new chapters, ensuring each community has the resources needed to thrive.

Unlike many national organizations, our national team does not take income from local chapters. Instead, every sponsorship directly fuels growth and opportunity—empowering women and girls in technology nationwide.

Join us in building a stronger, more connected future for women in tech across the country.

What you can expect as rewards for National Sponsorship:

- Logo inclusion as a national sponsor for every local branch
- Access to the WIT+ Sponsorship Media package, and use of our Logo
