MONARCH ACADEMY OF DANCE Summer Dance Adventures!

Get ready to move, groove, and shine in our fun-filled 4-week summer dance program for kids ages 3–5, 6–8, and 9–11! Dancers can explore multiple styles—including ballet, jazz, hip hop, and creative movement—while learning fundamental technique, rhythm, and coordination in a supportive, high-energy environment.

Each age group will enjoy age-appropriate instruction, engaging choreography, and themed activities that make learning fun and exciting.

Classes meet once per week!

At the end of the session, each class will perform in a special in-studio showcase for family and friends—celebrating their progress and giving every dancer a moment to shine!

Check out the fun classes offered for each age group below!
