

The Hightimers

Parking Policy

Parking at performances

Audience parking for performances at Coronation Hall is available in the car park to the front of the building, or along the road at the side of Coronation Hall.

For safety reasons, parking on the main road is not advised.

Please refer to our web site for a map of the route.

The Hightimers members involved in the performance should all use the car park to the rear of Coronation Hall. The only exceptions will be members of the crew arriving with heavy and/or bulky equipment to unload or blue badge holders. We ask the former to ensure that they do this well before doors open to the public. Also, after unloading please move your vehicle into the car park behind Coronation Hall.
