

Santa Shops Downtown!

Photos by Elizabeth Macy

Our Publisher Chad Beatty, spotted Santa shopping Downtown Saratoga and we just had to tag along!

Note to self:
The Candy Company is
the perfect stop for
stocking stuffers!

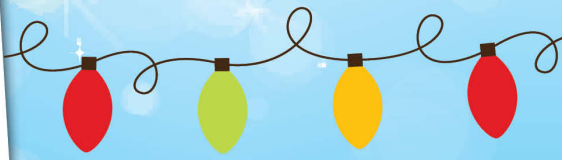

Impressions has the perfect ornament for everyone on my list!

Mrs. Claus was right... Alex & Ani is a fun place to shop!

"Santa Cristina"
What a nice name!
Leave it to Purdy's...
They have EVERYTHING!

How sweet...
I know the perfect
little girl for this dress
from Miss Scarlet's.

Such decisions-
so glad Saratoga Olive Oil
lets us sample first!

The Savory Pantry
has the right idea-
I can shop and snack!

HO! HO! HO!
I heard there was
a painting of me at
Crafters Gallery!

Wow, these Frye Boots at Violets
are just as nice as mine!

↑ Mrs. Claus LOVES
Lifestyles...I'll take
both of these!

The Pink Paddock
had the perfect
shopping tote-
I'll take both!

This Ruffwear insulated
jacket from Dawgdom is
perfect for our cold winters!

Mrs Claus will LOVE
this outfit from Spoken!
...and the vest is
machine washable -
good for our busy lifestyle!

shhhhh!...
What started out
as a stop for a
wash & trim at
Complexions Spa,
quickly turned
into nap time!

Everybody
LOVES
Santal

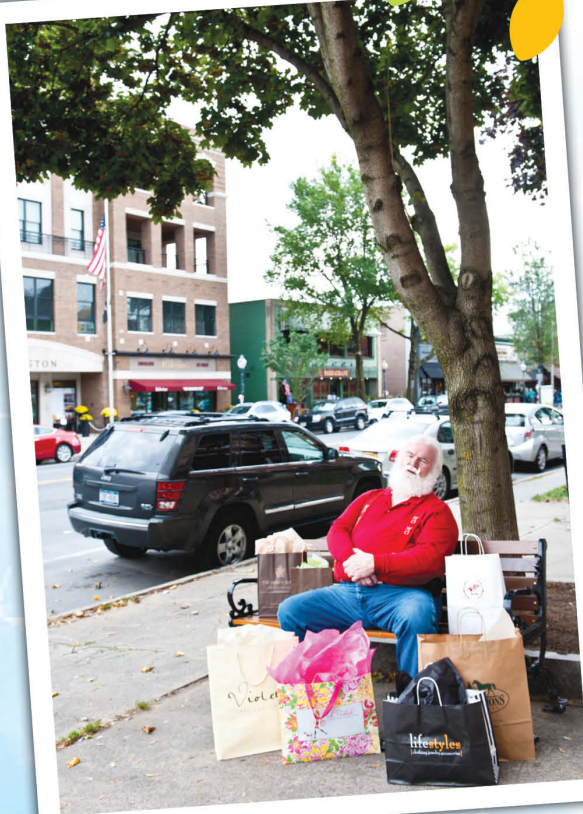

WOW- G. Williker's makes me feel like i'm back at the workshop!

Parkside Eatery is the perfect spot for a break after a great day of shopping downtown.

Whew-
What a long day!
