Steve Thweatt, incredible pianist and co-founder of the music group with his wife Ellen Thweatt, has performed in the presence of movie stars, music icons and political VIP's.

Expect a NEW BRAND of Music performed by the core group, including Jeffrey Payne, drummer. Additionally, they have invited other singers and musicians to perform gospel and contemporary – some people whom they've NEVER met!

Practicing UNITY against odds, they are putting it to the test trusting that the results will be AMAZING and highly effective!

Opening and throughout the day, SHOFARS will Blow accompanied by Worship FLAGGING and DANCERS led by Kandi Strock Moesel who is highly experienced in these.

Essentially, this group is saying: America – We are NOT DIVIDED!

Their ambition is to become a MOVEMENT of RESTORERS to help LEAD in a direction for HEALING the hurting nation. PRAYER for America and for leaders will go forth! Also prayers of Petitions and Thanksgiving.

Not Divided™ has the area of the Lincoln Memorial Reflection Pool Steps from 8:30 am to 10:00 pm. They plan to start at noon, ending at approximately 9:00 pm.

- One feature song composed by Ellen and sung by her uses 2 Chronicles 7:14. It includes a thought-provoking narrated message. She believes this scripture holds the secret to UNLOCKING God's PROMISE to HEAL the LAND, America.
- A second feature song, written and performed by Ellen speaks to expectant mothers. The drummer sounds a "Heartbeat" throughout the song on his kick drum and a deeply heartfelt, personal message of hope flows graciously to listeners.

A BONUS: Marcia Thompson Eldreth, was inspired a design for America's very own Christian Flag; she will present the Flag which solely represents America's Christian Faith allegiance. Marcia has aired on Pat Robertson's 700 Club featuring this Flag.
