

2025 Christmas Picture Fun to Benefit Safehouse of Seminole County

Saturdays: 11/29, 12/13 & 12/20

10:00 a.m. to 12:00 p.m. by appointment Location: Mobile Minis & Friends Barn at 315 N. Orange Avenue in Sanford

Come on out for some fun and festive pictures!

There will be two photo booths, a Christmas tree and more, plus our own Mobile Minis "reindeer".

Pictures will be taken with your cell phone so you have them immediately.

To sign up for your scheduled appointment (rain or shine), please go to our website at www.mobileminis.net and click on the "barn visit" tab at the top of the page. Fill out the barn visit form. You will receive an email or text confirming your appointment.

- The event is free! We are asking that you bring a donation of an item (or two) from the attached list to help victims of domestic abuse at the Safehouse at the time of your appointment.
- Add to the fun by dressing in your Christmas best, silly sweaters or use some of our festive props!
- Light refreshments will be served after all of your pictures are taken and you have said goodbye to our cute little miniature "reindeer".
- Once you have your pictures taken at each station and then had your refreshments, please conclude your visit so there is enough time to prepare for the next family.
- Want more time with the minis? Sign up for a fun and free, regular barn session on our regularly scheduled barn days for the full experience, including reading to our minis! (Most Tuesdays, Thursdays and Saturdays 9-10:30 a.m.)

Thank you again for helping to support the Safehouse of Seminole County!
