

An aerial photograph of the Sandals South Coast resort in Jamaica. The resort features a large central building with a prominent orange dome and a portico with columns. The building is surrounded by lush greenery, palm trees, and manicured lawns. In the background, there are swimming pools and a beach leading to the turquoise ocean under a clear blue sky.

JAMAICA

THE LUXURY INCLUDED® MEETING

SANDALS® SOUTH COAST EUROPEAN VILLAGES & SPA

Great meetings and incentives start at Sandals South Coast, where every possible amenity and luxury is included. Nestled within a 500-acre nature preserve surrounded by tropical palm groves and a unique two-mile stretch of pristine beach with views of both the sunrise and sunset, Sandals South Coast is the perfect combination of an all-beachfront tropical resort and the finest in European civility. From the moment your group arrives, they're immersed in the natural beauty of the countryside where rolling hills hug a stunning coastline, kissed by cobalt blue skies, glorious sunshine, and the warmth of the Jamaican people. Amidst this unspoiled splendor, the grandeur of this 5-star resort becomes immediately apparent. It's the only all-beachfront resort in Jamaica, where every accommodation is close to the water's edge and designed to bring the outdoors in with spectacular views. Your group will experience *la dolce vita* in the Italian Village, where beachfront balconies and walkout patios overlook the sea. They'll enjoy a

certain *je ne sais quoi* in the French Village where they can swim up to the bar for an afternoon aperitif. Or they can go Dutch and sip a cool beer while enjoying the tranquility of the colonnaded pool in the Dutch Village. And the new Over-the-Water Bungalows are designed for exclusivity and luxury, with "sea-through" glass floors and an extended deck. There are three pools to choose from, including Jamaica's largest zero-entry pool framed by a sprawling piazza just steps from the beach. Discover nine gourmet restaurants serving mouthwatering cuisine prepared by talented international chefs. Nights here are decidedly sophisticated. From a lively piano bar to chic firepits and non-stop beach parties, every evening of your group's stay here can take on a whole new energy. You can even enjoy a private event just for your group in the resort's 4,860 square foot ballroom and conference facilities, or in the 5,000 square foot theatre. Sandals South Coast is truly a European oasis in the heart of Jamaica.
