

# TATTOO ORDER FORM

The varsity cheer team is selling tattoos for each football game. To make things simple, we are giving you the option to buy them all at once. The students will receive a tattoo each Friday morning of every football game. Buying the tattoos individually is still an option. The individual tattoos are \$1. The all-at-once price is \$10. Please complete the information below if you would like to take advantage of this easy process. Checks can be made payable to Bowling Green. The forms are due by 8/11. Thank you for supporting your varsity cheerleaders!
