Striving for Excellence

June 14, 2025

Dear Parents.

It is time to begin compiling our football program for the 2025-2026 season. Each year we give you the opportunity to honor your child in the program by purchasing a personal ad. This has previously only been offered to JV and Varsity athletes/support groups, but we are also opening this opportunity to younger athletes/support groups this year.

Please email any additional images that you would like included in your ad as soon as possible. If you would like to use the sports photographer's photo, those files will be provided to the school. (Younger athletes might not have their photo days before the deadline, so please plan accordingly to use a personal photo.)

The price for each ad **includes the cost of one program** that you will receive when programs arrive so that you do not have to stress about getting a copy. You can also pre- order additional programs on this form for \$10 each for a presale discount. Programs will be \$15 after the presale, and availability is not guaranteed.

The prices of the ads are as follows:

Full Page : \$140

Half Page: \$90

Please see the attached page form to complete your ad information. The deadline date to turn in your ad information and payment is July 31, 2025.

Forms may be turned in on picture days (with separate payment/forms from pictures, to the office, or placed in the office dropbox. (Summer hours T-Th 9-12)

All images that are not provided by the school photographer must be emailed to ellenburford@bgsbucs.org by July 31, 2025. There will be an additional fee of \$30 for any forms or photos turned in after the due date.

We would like to encourage any of our BG parents who own a personal business to advertise in the program as well. Also, if you know someone who owns a business, please feel free to contact them about advertising.

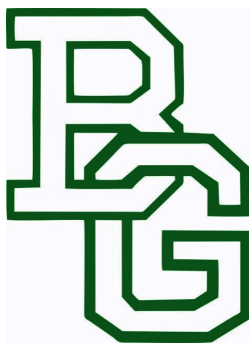

We certainly appreciate your help in making Bowling Green School the best it can be!

Sincerely yours,

Kim Burris, Head of School

Dean King, Head Football Coach
