

## Unicorns

I am a unicorn.

I live in the clouds above.

I eat fairy muffins every morning and moon scraps every night.

Pink unicorns dance on rainbows.

So do I.

I'm cool all day.

When I fly, I'm cool.

When I eat, I'm cool.

My friend is a purple unicorn.

We dance all day.

We are cool together all day.

We like to dance on rainbows and eat rainbow cotton candy.

We aren't just any type of unicorn...

We are nice unicorns.

Pink and purple, fluffy unicorns dancing on rainbows.
