4. Students participating in school-sponsored activities that necessitate their being away from school shall be considered present and shall be given the opportunity for makeup work. School sponsored absences shall not count against the attendance requirement.

Make-up Work Policy:

It is the responsibility of the student to make arrangements to complete all missed assignments and tests. Make-up work will only be given to students who receive an excused absence from authorized personnel. (*See Attendance; also see SUSPENSION Policy*) Teachers are not required to assist students with any work missed for unexcused absences.

Assignments

- 1 It is the responsibility of the students to complete assignments and tests within five (5) days upon returning to school
2. Students may request conferences with teachers before and/or after school in order to receive assignments. It is wise, however, to stay aware of course requirements for each course syllabus, since there may be workshops, presentations, productions, performances, or other special learning activities for which there is no make-up.

Tests and Examinations

Students are expected to be in attendance for all tests and examinations unless the student has an excused absence according to BGS's Attendance Policy. Students missing tests for other reasons will receive a failing grade on the test. Students who are excused from tests are expected to make up the tests based on the following:

2. Make-up tests and examinations will be given under the supervision of the teacher before or after regular school hours, NOT during class time.

Incomplete Work Policy:

Incomplete work indicated on report cards by the letter "I" must be resolved within the next marking period. An "I" on a report card, which has not been removed by the end of the next marking period, becomes an "F". Extenuating circumstances will be dealt with at the discretion of the classroom teacher, with the approval of the administration.

To receive the PERFECT ATTENDANCE award, **a student must be present for all classes every day that school is in session except when on school business** (*i.e. field trip, sports team early departure, 4-H events, etc.*)

Cell phones and other devices are **NOT to be accessed/used during the school day**. (*The school day is defined as the period when the student is under supervision of school personnel—this encompasses the period of time that begins the moment a student arrives on campus for the school day and ends when the student exits the campus at the end of the school day. No devices may be accessed during the breakfast period, PE, recess, or car-line/bus rider wait-time. The school day is not over when the afternoon bell rings. CHECKOUT POLICY/LATE TO SCHOOL POLICY

Students at **BGS** are required to be at school each day and all day long for all scheduled classes. Realizing that extenuating circumstances do occur that require a student to be checked out prior to the end of a school day, the following guidelines will be followed:

1. All students will obtain a "Check out/Emergency Form" at the beginning of the school year. The student and his/her parent or guardian **must** accurately complete the form, **including cell numbers**, and return it to the homeroom teacher by the end of the first full week of school.
2. Only those individuals whose legitimate signatures appear on the check-out form will be allowed to check out a student at BGS.
3. In order to check out a student, the individual must be listed on the check-out form and **physically come to the main office to sign-out the student**. In extenuating circumstances, the check-out of a student may be handled by the administration only. This policy is for the safety of our students.
4. **A STUDENT WILL NOT BE ALLOWED TO CHECK HIMSELF/HERSELF OUT or CHECK OUT ANOTHER STUDENT!**
5. The individual who wishes to check out a student must report to the office. That individual's signature will be checked against the student's check out form, and he/she may then sign out the student. Only at that time will the student be called from class. Students will only be called at the **beginning or end of a class**. **Do not call ahead of time and expect the student to be waiting in the office.**
6. Students should only be checked out for **valid** reasons.

LATE TO SCHOOL

A student is considered "LATE TO SCHOOL" if he/she arrives after the 8:00 A.M. tardy bell. **If the student drives, on the 4th "LATE TO SCHOOL" offense, his/her driving privileges will be revoked.** If the student does not

drive, on the 4th “Late to school” the student will serve a 10 minute detention before or after school adding 5 minutes each time thereafter. The number of days will be at the discretion of the administration.

A pupil damaging a school bus shall be subject to disciplinary action and restitution.

CORPORAL PUNISHMENT: Bowling Green School allows reasonable corporal punishment of unruly pupils by administration only. If corporal punishment is recommended, the student will contact a parent or guardian on “speaker phone” and tell “what” offense he/she committed and “why” he/she should receive corporal punishment. When administered, school personnel will witness the corporal punishment. Corporal punishment may be used instead of detention or in some cases, suspension from school.

DETENTION: As an alternative to suspending students, detention may be used as a consequence for minor discipline infractions. **Saturday detentions** will be on designated Saturdays from 8:00 a.m. until 10:00 a. m. **Students assigned to detention must pay \$25 fine to the personnel supervising that Saturday detention.** Students must remain on campus for the full two hours and clean the campus/classrooms. The principal or disciplinarian will notify the parent/guardian of the assigned detention date. The parent/guardian is responsible for the transportation of the student and will ensure that the child arrives and departs on time. If extenuating circumstances arise which prevent a student from attending a scheduled detention, a parent or guardian must notify the school in advance. **When a student fails to attend an assigned detention or if a parent / guardian refuse to provide for the student’s delivery to the Detention, the student will be assigned a suspension from school.**

Bowling Green School Christian Code of Conduct for Students

Personal Character

Each student is expected to act in a manner that reflects biblical values and to develop personal character traits that show maturity. Further, as a community of Christians, students should encourage and support others to live in a manner that pleases God. The following characteristics are representative of Scriptural standards that should be emulated.

Love for God's Word—There is no greater source for direction and encouragement than the Bible. Bowling Green School places God's Word in the highest regard, and every student is urged to spend personal time in it regularly; furthermore, middle and high school students are required to attend the Bowling Green School weekly chapel service. (*Josh. 1:8; Ps. 19:10; Ps. 119:97, 119:127, 119:165; Col. 3:16*)

Respect for God, Other People, and Property—God deserves reverence and respect, and our lifestyle and worship should reflect the honor we owe Him. We are also commanded to show respect to those God has given to be in authority. Students at Bowling Green School must hold administrators, teachers, and staff members in high regard and respond with respect and compliance. Good sportsmanship is also expected in all athletic endeavors; student athletes must respect the authority of coaches and officials. (*1 Pet. 2:17, Prov. 9:10, Eccl. 12:13, Rom. 13:7, Phil. 2:3, Rom. 12:16–18, Eph. 6:5–9*)

Kindness and Consideration for Others—Christians are to actively seek opportunities to show kindness to others. Common courtesy and politeness are qualities to be developed. Bowling Green School students must exemplify and promote these traits. (*Eph. 4:32, Matt. 7:12, Luke 6:31, Phil. 2:4, 1 Thess. 5:15*)

Compassion and Christian Love—God’s great love for us is reflected when we act with genuine care and concern for others. The Bible teaches that this is the hallmark of a true disciple. (*Eph. 5:2, Luke 10:25–37, Jude 22, 1 John 4:7–8, John 13:34–35*)

Honesty and Integrity—It is necessary that each student deal truthfully with others and maintain a reputation for choosing to do what is right. Without these traits, it is not possible to properly interact with other people or with God. Academic dishonesty will not be tolerated. (*Ps. 25:21, Ps. 15:1–2, Prov. 12:22, 2 Cor. 8:21, Phil. 4:8, Prov. 11:3, Rom. 12:17–21, 2 Cor. 4:2, Matt. 5:37*)

Discipline and Self-control—Christians are to exercise control over their emotions and desires so that behavior is appropriate and right. This is accomplished as the Holy Spirit is allowed to guide every decision and direct each action. (*Gal 5:16–26, Rom. 6:12–13, 1 Cor. 9:24–27*)

Modesty and Purity—Christian men and women are expected to maintain the highest moral standards as a reflection of God’s holiness and as a protection against the effects of sin. While much of today’s culture has abandoned these precepts, the biblical principles for behavior and modesty are essential. (*Ps. 51:9–10, 1 Tim. 2:9, 1 Cor. 6:19–20, 1 Pet. 3:3–4, Ps. 24:3–5, 1 Tim. 4:12*)

Diligence—The ability to work hard is important for academic and athletic endeavors and is a characteristic that the Bible encourages. Being available and willing to work to achieve success, academically, athletically, and otherwise, is necessary to please God and contribute as a citizen. (*Prov. 13:4, Deut. 6:17, Prov. 22:29, Col. 3:23*)

Responsibility—The Bible teaches that each person must give account for his actions; taking personal responsibility for one’s life is the beginning of real stewardship. Making it your duty to be reliable, so that others can depend upon you, is a mark of true maturity. (*2 Cor. 5:10, 1 Cor. 4:2–4, Gal. 6:4–5*)

Etiquette and manners—Bowling Green students must speak and behave with courteousness to fellow students, faculty and staff members, and campus visitors. (*1 Cor. 15:33, Col. 4:5–6, 1 Cor. 14:40*)

Prohibited Activities

Each student accepts the responsibility to actively uphold the Code of Conduct and to refrain from any action that would be detrimental to academic growth, spiritual growth, the safety or well-being of others, or any action that would impair the ability of others to follow Bowling Green School’s Christian Code of Conduct. (*1 Pet. 2:11, Rom. 14:13*) **For this reason, students who participate in illegal or prohibited activities or who build a reputation for involvement in these activities will be subject to discipline including but not limited to punishment, suspension, or expulsion.**

Use, Possession, or Association with Alcohol, Illicit Drugs, and or Narcotics, any Marijuana Products, Tobacco, and Related Products, such as E-cigarettes and Vaporizers—as a protection against harmful effects and the controlling nature of these substances, Scripture teaches us to avoid them. (*Prov. 23:31; Rom. 12:1; Prov. 20:1; 1 Cor. 6:19–20*)

Pornography or Sexual Immorality—The Bible indicates that all sexual activity -- outside of marriage between one man and one woman -- is sin. Therefore, the following is considered to be sexually immoral: fornication, adultery, homosexual behavior, or any other sexual perversion. Also, any involvement in pornography or sexual communications, including verbal, written, or electronic, are prohibited. (*1 Cor. 6:9–10, 18–20, Matt. 5:28, Heb. 13:4, Rom. 1:26–27, Ps. 119:37, 1 John 2:16*)

Profanity or Obscenity—Inappropriate language is not permitted whether it be verbal, written, or electronic. (*Eph. 4:29, Col. 3:8, James 5:12*)

Harassment, Abuse, and Discrimination—The safety and well-being of students is of utmost importance. Bowling Green School does not tolerate hazing, physical or verbal abuse, coercion, stalking, intimidation, harassment (verbal or sexual), discrimination, or any other behavior that places the health and safety of other students and faculty in jeopardy. Students must avoid the use of divisive or inflammatory comments, symbols, or actions of any kind, even in jest. (*Col. 3:8; 4:6; Eph. 4:29–32*)

Stealing—the Bible clearly teaches that stealing is wrong. Taking, possessing, or using what does not belong to you without the owner’s consent is considered stealing. Plagiarism is stealing. (*Rom. 13:8–10*)

Witchcraft, Séances, or Any Other Satanic Practices and/or Symbols—Anything (actions, attire, appearance, clothing, etc.) associated with these activities is in direct contradiction to biblical principles and will not be tolerated. (*Gal. 5:19–21*)

Additional Expectations

In light of current issues regarding sexual orientation and gender identity, Bowling Green School adheres to the following expectations and beliefs:

- **Each student must dress in conformance with his or her biological sex.**
- **Each student must use restrooms, locker rooms, and changing facilities which align with the student’s biological sex.**
- **God’s definition of marriage is the legal and spiritual union of one man and one woman; any student courtships on campus and/or dates to school events must reflect God’s future plan for a holy marriage.**

Drug/Alcohol Testing Policy and Required Consent Agreement

Anytime during a school year or at any time the administration deems necessary, a student must consent to having a specimen of urine and/or blood, hair or saliva collected for the purpose of testing for the presence of prohibited drugs and substances in accordance with the provision of the Bowling Green School Drug Screening Program. Parents must sign consent agreement on p. 21 of this document.

Only the last four digits of a social security number will be used when identifying samples to assist in confidentiality of results. Drug screening results will be reported to the principal and to school officials on a need-to-know basis.

Actual samples tested will be sent by the contracted agent to a reputable laboratory designated by Bowling Green School.

The Bowling Green School Board and its officers, administrators, employees and agents are hereby released from legal responsibility or liability for the release of such information and records as authorized by parent signature on the BGS Statement of Compliance p. 21 of the Student Handbook.

Drug Testing Policy for Bowling Green Students, *Grades 7-12*

The Bowling Green School Board of Trustees, Administration, and Faculty strongly believe that the use of drugs (*excluding those prescribed by a physician to treat a specific medical condition*) can:

1. Be detrimental to the mental and physical well-being of its students, no matter when such usage should occur during the year.
2. Seriously affect the performance of individuals as students
3. Be dangerous to the student and his/her classmates.

Beginning with the 1996-97 academic year and for subsequent years, Bowling Green School, implemented a program of drug testing to assist and benefit its students.

Purpose of the Program:

1. To educate the student concerning the dangers of drug abuse.
2. To help prevent any drug use and abuse by the students of Bowling Green
3. To identify any student who may be using drugs and to identify the drug.
4. To provide reasonable safeguards in order that every student is medically competent to participate in school related activities.
5. To remove the stigma of drug abuse from those students who are non-users.
6. To reassure students, parents, and the community that the health and academic progress of each of its students is the primary goal of BGS.

7. To re-emphasize to the student his/her responsibility as a positive role model, on or off campus.

Positive Test Results: First incident

For specimens showing a positive result, the following steps will be taken:

1. The administration is advised of the results.
2. The student and parents or guardians are advised.
3. *Depending upon attitude and responsiveness of student and parents*, the student is subject to expulsion or will definitely be required to attend a drug counseling program at the expense of the student.
4. If drug counseling is required rather than expulsion, the drug counselor will determine the length and manner of the program to best suit the student.
5. After a positive test, the student is subject to testing at the discretion of the administration for the student's remaining time at Bowling Green School.

If parent wants a second opinion, the child can be re-tested at parent's expense. If test is found positive, the above procedures will be followed. The child will remain out of school until results are in.

Positive Test Result: Second incident

The specimen showing a positive result will be re-tested immediately to assure that no error has occurred. If the positive result is verified and confirmed, then the following steps will be taken:

1. The administration is advised of the results
2. The student and parents or guardians are advised.
3. The student will then be expelled from Bowling Green School.

Bowling Green School Technology Acceptable Use and Conduct Handbook

The primary goal of Bowling Green School's available technology is to enrich the learning that takes place in and out of classrooms. Technology offers opportunities for exploration and analysis of academic subjects in ways that traditional instruction cannot replicate. Academic work for courses always takes priority over any use of the computer or other media equipment.

The following is a list of rules and guidelines that govern the use of BGS computers and network resources. Network Resources, in this document, refers to all aspects of the school's owned or leased equipment; including computers, printers, scanners and other peripherals; as well as email, internet services, servers, network files and folders, and all other technology-related equipment and services. These rules apply to any use of the school's network resources whether this access occurs while on or off campus.

Students will...

- Access the system for educational purposes only during school hours, (this includes the use of networked printers in the building).
- Use appropriate language and be respectful of others. This includes no cyberbullying.
- Observe and respect license and copyright agreements.
- Keep passwords and personal information confidential (Student names, telephone numbers, and addresses should not be revealed over the system).

Students may not use network resources...

- To create, send, share, access or download material, which is abusive, hateful, threatening, harassing or sexually explicit.
- To download, stream or listen to Internet-based music, video and large image files not for school work, as this slows the performance of the network for all users. The school will monitor the network for violations.
- To send file attachments through the school's email system that are greater than 25MB in size (the transfer process can hinder network speed and access to others).
- To alter, add or delete any files that affect the configuration of a school computer.
- To conduct any commercial business that is not directly related to a class.
- To conduct any illegal activity (this includes failure to adhere to copyright laws).
- To access the data or account of another user (altering files of another user is considered vandalism).
- To install any software onto BGS computers.
- To copy BGS school software (copying school owned software programs is considered theft).

In addition, students may not:

- Bring in their own laptops/devices from home to use at school **unless the student is a junior or senior enrolled in a dual enrollment class AND the student computer has been registered with the school technology coordinator AND virus protection for the entire school year has been installed by the student at the student's expense.**
- Attempt to change any BGS network or server configuration or the configuration of a school computer.
- Video tape staff or students without their consent or knowledge, this includes:
 - o webcams or chromebooks/laptops
 - o cameras
 - o cell phones
 - o or any other digital devices.

- Post anonymous messages.
- Use school issued email accounts for personal use (such as creating social media accounts, shopping, etc.)
- Forward email commonly known as “SPAM,” Unsolicited Commercial Email (UCE), or “junk email.”
- I.M. (instant message) or “chat” during class.

Disclaimer: Bowling Green School is and will continue to do everything possible to keep students safe when using technology. However, BGS does not have control of the information on the Internet or incoming email, nor does it provide complete technical barriers to account holders accessing the full range of information available. Sites accessible via the Internet may contain material that is defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, illegal or otherwise inconsistent with the mission of Bowling Green School. While BGS’s intent is to make Internet access available for educational goals and objectives, account holders will have the ability to access other materials as well. BGS expects students to use technology appropriately and follow all policies when using the Internet. Students found in violation of the policy will be subject to discipline.

In addition, BGS students take full responsibility for their access to the network resources and the Internet. Specifically, BGS makes no warranties with respect to school network resources nor does it take responsibility for:

1. The content or information received by a BGS email/Google account holder.
2. The costs, liability or damages incurred because of access to school network resources or the Internet.

G Suite for Education Information and Permission

Bowling Green School is a *Google Suite for Education* school. This entitles members of our organization, including students in grades 6-12 to access Google applications such as Classroom, Gmail, Docs, Slides, and Drive under the bgsbucs.org domain. As part of our middle and high school curriculum, students use school-issued, individual Google accounts for learning, creation, storage, and collaboration. In order to log in and access these learning applications, students must have a school-issued email account in the bgsbucs.org domain. The Bowling Green School Technology Acceptable Use and Conduct Policies as well as the Student Handbook/Code of Christian Conduct polices apply to the use of these accounts when students are BOTH on and off campus.

Bowling Green School administrators reserve the right to access, review, copy, store, or delete any electronic communications or files in and on student accounts. Student accounts are filtered for inappropriate content. Students are NOT to use school email accounts to set up personal social media accounts including, but not limited to Twitter, Snapchat, Facebook, Instagram, ETC. Any violation will result in account suspension. BGS further reserves the right to disclose any electronic activity—including electronic communications—to law enforcement officials, as appropriate and consistent with applicable law.

Bowling Green School advises parents to attain account information (log-in, password, etc.) from their children and to closely monitor their children's online activities. AT ANY TIME, PARENTS CAN REQUEST ACCESS TO THEIR CHILD'S ACCOUNT THROUGH THE G SUITE SCHOOL ADMIN, PAIGE ROBERTSON.
