### Family Values

My family is Christian, and we believe the Bible is God's holy word. It teaches us man's primary purpose is to glorify God and enjoy Him forever. The Bible also teaches us how to do this. My family and I try to display biblical values in our daily lives in order to glorify God and demonstrate His love to the world around us.

Jesus taught that the greatest commandment is to, "Love the Lord your God with all your heart and with all your soul and with all your mind." We can love the Lord by worshiping him. My family worships him by going to church on Sundays and Wednesdays, reading our Bible, singing, and praying to Him. Every night my family and I try to sit down together and do our daily Bible study.

The second greatest commandment is, "Love your neighbor as yourself." My family does this by being kind and helping others. I am able to display this every day at school. I respect my teachers. I stand up for people. If they need help with something, I help them.

These two great commandments summarize the moral law of God. They teach us how we should act toward God and other people. The Bible teaches that we should worship God. The Bible also teaches us to be kind and help our neighbor. We should all strive to obey these two commandments, and following these commandments is a value that is important to my family.
