## **Dance Dress Code and Policies**

Bowling Green School's goal is to ensure a safe and healthy environment that honors the values of our school. These policies emerge from our shared mission in promoting the Christian values that recognize the dignity and self-worth of all people. Within this setting, dances are viewed as an *opportunity* for students to socialize in a supervised and safe environment. Student behavior and manner of dress should reflect this guiding principle. These policies are not intended to take away from the excitement of the event but to ensure that all students respect the rights, integrity, and values of their fellow students.

### **Dress Code for Casual Dances (Sadie Hawkins, etc.)**

If students have any doubt about the appropriateness of their attire, they should ask a school administrator or bring the questionable outfit prior to the event rather than being embarrassed and turned away at the door.

**Student and/or guest will not be allowed to have their picture taken by the professional photography if attire does not meet the BGS rules and regulations. If this occurs without the knowledge of the administration, the photographs will be withheld and no refunds given.**
