Quickway Food Store, Inc.
P.O. Box 796
Roseland, LA 70456
985.748.6993

Quick Way Food Store, Inc. is proud to support our local school and our community. We are looking forward to a new school year and getting to know you and your child(ren). Our goal is to provide Bowling Green students with a breakfast and/or lunch that they enjoy and offer them other options as well.

Student accounts are managed through My Payments Plus, an app easily found in the App Store, via the school's BG app or by going directly to the website, www.mypaymentsplus.com. My Payments Plus enables parents to see real time balances, view transactions, add funds for immediate use in the BG cafeteria, and receive low balance alerts.

Accounts MUST BE PREPAID to prevent your child from not being able to have breakfast and/or lunch. Pre-payment is accepted in three forms: 1. Check payable to Quickway with the student's name in memo. 2. Cash in an envelope with the student's name written on the envelope and turned in to the BG office. 3. Online payments can be made at www.mypaymentsplus.com.

When your child's balance decreases to $15.00, you will receive notification via email from our software company, **Solana Admin.** It will send notification again when the balance decreases to $10.00. We will not allow a student to run up a negative balance. NO EXCEPTIONS. The student will be asked to call a parent to make a payment or bring a payment to the cafeteria before they are permitted to make a purchase. We strongly suggest parents/guardians to use the My Payments Plus app to monitor balances and purchases. If there is a discrepancy with your child's account, please contact us immediately. We will review the account and make the necessary corrections if needed. Please take time to update your information (email, phone contact, etc) with us for the new school year. Quickway will be sending out emails twice daily in regard to your child's cafeteria balance.

Account issues email quickwaybgs@gmail.com. Other issues to hendryclint@yahoo.com.
