Notes:

For ordering purposes, Bowling Green School plaid is named **WHITE PLAID**.

We strongly recommend using Lands End to order uniforms. Please visit the Bowling Green School Lands End store. The store will open on **March 20th**.

Lands End is very high quality. As your child outgrows their uniforms, please consider selling items to other students.

The school crest must be on all outerwear. (except the plaid jumper)

All white items are to be worn **ONLY UNDER** green apparel and do not need a monogram.

Green polos worn in the 2025/26 school year may be worn next school year as long as the monogrammed school crest is the correct size.

Girls may wear only black leggings under their skirts during the winter.

2nd - 12th grades belts must be worn.

There will be no more measuring of skirts/skorts/shorts lengths. When looking at the skirts, skorts, or shorts, they should come to the **top of the knee.**
