

For Immediate Release, Tragic Fools.

No Judgement. No Fear.

An exhilarating paranormal fantasy, action-adventure, magical realism thrill ride. You'll be weak in knees swooning and on the edge of your seat cheering as they learn what it is to be immortal. Our Heroine is a hot mess of emerging abilities. The Prophecy is underway, dark entities are attacking. It's a gong show of scandalous, pulse-racing, bust a gut laughing mishaps embracing afterlife duties while fighting predatory urges. It's a hard knock afterlife when you're a sacrificial lamb for the greater good.

*Join Kayn on her comic romp through the afterlife. Being at the top of the immortal food chain was making things awkward.*

The crackling tires were echoing. *She should ask them to pull over, something was happening to her. She'd had this sense of ability related foreboding before, it rarely went well. Deep breath in. Deep breath out. Be calm.* Her peripheral vision flickered ominously. Her heart was thudding like she ran a marathon. *She'd been asleep for a day and a half. She needed to feed her ability but didn't want these new people to know she fed off immortal energy. It might make things awkward. Killian smelled amazing. He had sweet, tasty, potent pheromones. She needed to get out of here.* She wiped her brow. Her throat was so dry, she could barely swallow. *If she ate them all, they'd have a nice long nap. Usually, someone called her out on her feral inner commentary by now. Maybe they couldn't hear it? That was unfortunate, survival of the fittest wise."*

**Here's a selection of promotional fun to play with.**

No judgement. No fear. Our Heroine is a hot mess of emerging abilities and inappropriate behaviour. The Daughters of Seth Prophecy is underway, and every dark entity out there is trying to stop it. It's a gong show of sexy pulse-racing, bust a gut laughing mishaps.

“She’s a force of nature. Being near her is an addictive rush of every emotion, all at once. Rationally, you know you’re standing in the path of a tornado, and it might kill you, but it’s so awe-inspiring you can’t even make yourself move.”

All eyes turned as she walked to the bar. Flesh prickled on the nape of her neck. *She was in a dangerous situation. How exciting.*

Sliding her a drink, the bartender explained, "This is from the gentlemen over there."

Lifting it up to the light, Kayn saw a powdery substance. *It was trying to drug her, how adorable. She was definitely going to eat that guy.*

Massaging her palms, Frost vowed, "I'll make sure Orin is ready to take you out."

*Only he could make plotting her own assassination sexy.* Patting his hair to check for horns, Kayn sighed, "Alright."

"Back up Jason Vorhees, there's a way it has to play out. Those with a shot at redemption need to be marked with our blood and sent back through the hall of souls. Dark auras go elsewhere. We have to subdue and sort these people."

BENEATH INFINITE SWIRLING SHADES OF ETERNAL CERULEAN SKY. SPRAWLING ON HER BACK. KAYN DANCED A FINGER THROUGH DIPS AND SWIRLS AS SHE WROTE HIS NAME. CONFESSING HER SINS TO THE MESMERIZING AZURE. IN ETERNAL BLISSFUL WARMTH. SHE OPTED TO ENJOY HER FINAL MOMENTS IN HEAVEN WITHOUT WORRYING ABOUT THE POSSIBILITY OF HELL.

**IF SHE ATE THEM ALL. THEY'D HAVE A NICE LONG NAP. USUALLY. SOMEONE CALLED HER OUT ON HER FERAL INNER COMMENTARY BY NOW. MAYBE THEY COULDN'T HEAR IT? THAT WAS UNFORTUNATE. SURVIVAL OF THE FITTEST WISE.**

*“To put your mind at ease, Earth has the worst reputation in interplanetary travel. I’ve heard horror stories about the dark shit that happens if you crash. Earth is like a haunted house, you’re curious enough to do a drive by but you wouldn’t want to live there.”*

## PERSONAL NOTE

• I began writing this series shortly after my M.S diagnosis. I had many reasons to fight. I had incredible children, wonderful family, and amazing friends, but this series gave me a purpose. Whenever things become dark, I use my imagination to find the light within myself. No matter what life throws your way, you are stronger than you believe. I hope my character's strength becomes an inner voice for the readers who need it. Stand back up and if you cannot stand, rise within yourself. We are all immortal.
