Website: <https://allianceschannels.com/>

1. Purpose

These Terms and Conditions of Sale (T&Cs) define the terms and conditions under which JC&CO SAS, trading as "Alliances & Channels Consulting" (hereinafter "the Service Provider"), delivers its services and the rights and obligations of the parties in this context.

2. Scope

These T&Cs apply to all services provided by the Service Provider to its clients (hereinafter "the Client"). Any order of services implies the full and unconditional acceptance of these T&Cs by the Client.

3. Nature of services

The Service Provider offers consulting services in alliances and business partnerships. A detailed description of the services is available on the Service Provider's website. Any specific service may be the subject of a separate commercial proposal.

4. Order

The order of services is formalized by the acceptance of a quote issued by the Service Provider. The order is considered firm and final once the quote is signed by the Client. A deposit may be requested before the commencement of the service.

5. Prices and payment terms

The prices of services are those in effect on the date of the order and are stated in the quote. Prices are expressed in euros and exclusive of taxes.

Payments are made by bank transfer according to the terms specified in the quote or invoice. Unless otherwise agreed, invoices are payable within 30 days net from the invoice date. In the event of late payment, late payment penalties may be applied in accordance with the applicable legal provisions.

6. Delivery and execution of services

The Service Provider undertakes to perform the services within the agreed deadlines, provided the Client complies with its obligations, particularly in terms of providing the necessary information for the service execution.

The deadlines are indicative, and any delay will not give rise to any penalties or the cancellation of the order.

7. Obligations of the Service Provider

The Service Provider undertakes to provide services with due diligence and in accordance with industry standards. The Service Provider is bound by a best-efforts obligation, not an obligation of result.

8. Liability

The Service Provider cannot be held liable in cases of force majeure or events beyond its control, as defined by law. In any case, if the Service Provider's liability were to be engaged, it would be limited to the amount of the fees received for the services rendered.

9. Confidentiality

The Service Provider and the Client mutually agree to maintain the confidentiality of all information exchanged in the context of the service provision.

10. Intellectual Property

All materials produced by the Service Provider during the provision of services remain its intellectual property, unless otherwise specified in the quote or contract.

11. Termination

In the event of a serious breach by either party of its obligations, the contract may be terminated by the other party, after a formal notice has remained unaddressed for a period of 30 days.

12. Governing law and disputes

These T&Cs are governed by French law. Any disputes relating to their interpretation or execution will be submitted to the competent courts of Evry (91 – France).
