

Grow Your Practice with Shockwave Therapy

Cash-pay focused shockwave therapy for chronic pain and regenerative care practices

Focused Shockwave - high-ROI potential, strong patient demand, quick in-office treatment workflow

AUTO NO ADDED STAFF

Fast in-office treatments help your team stay productive.

CASH 10-MIN CASH SESSION

Simple add-on service with strong patient appeal.

ROI QUICK ROI POTENTIAL

A few treatments can cover the monthly payment.

Why Clinics Add It

- **New cash income**
Create a profitable service line inside your existing practice.
- **Strong patient demand**
Patients want non-surgical options for chronic pain and mobility concerns.
- **Focused treatment option**
Uses acoustic waves to support tissue repair and recovery protocols.
- **Quick ROI potential**
Monthly payment can be offset by just a few treatments.

Focused Shockwave

Cash Economics: A New Profit Center

Example: 10-minute cash-pay sessions at \$150 per treatment.

Scenario	Patients/Day	Revenue/Session	Annual Revenue
Low-Volume Clinic	2	\$150	\$78,000
Moderate-Volume Clinic	4	\$150	\$156,000
High-Volume Clinic	8	\$150	\$312,000
