19th School Foundation Day Celebration

It is to inform to all the concerned parents / students / teachers that school will celebrate its 19th Foundation Day On 2nd February 2021, Tuesday, like every year.

Parents / Guardians are invited to be part of this auspicious celebration, which will start at 10 AM in the morning. As we have to follow the guidelines regarding Covid , Parents / Guardians are requested to come or send only one representative so that we can reduce the number of person gathering & always wear a mask when you visit the school campus.

There will be two sessions for this; first one will be official program where prayers and other proceeding will be held in the morning. Later in afternoon / evening, second session will start where there will be plethora of extra curriculum activities for students, especially for the new comers (freshers).
