Uniform Changes for Day School

It is to inform to all the concerned parents, students and teachers that School **Uniform for Day School students (for LKG to Class 8) will be changed from this coming session 2023-24.**

This change was necessitated after Parents / Guardians of the day school students put up frequent complaints about the existing uniform, as it got dirty very fast due to white colors.

The lower – skirts & trousers color will be dark grey which is the same colour with school main uniform, whereas the shirt colour will be maroon stripes. The above-mentioned new uniforms will be available at school Tuck Shop readymade from the second week of March , in a very reasonable prices.
