## **NOTICE**

### **Reporting back to school boarding for registered boarders/hosteller**

It is inform to all the students who are registered as boarders / hostellers that you are required to report back to school boarding on or before 02 January 2021, after long hiatus due to Covid-19 , as the situation becomes normal, if not 100% normal, due to the availability of vaccine to public.

So, all the safety regulation & SOPs prescribed by Govt. will be strictly followed. Hence, you are advised to come in less number when you bring your child and wear a mask. We will not allow any parents / guardians to meet your child until their exams are over atleast, only one person will be allowed at school campus at one time when you come to drop your child.

Auto dispenser hand sanitizers & full body sanitizers are installed at school campus at all the important location of school campus.

All the online class will be shifted to in person learning from 02 January 2021, so you must report back to school, after getting a covid test which must be negative.

You are also requested to clear all the fees / dues for your child until the month of February, for boarders boarding fees will be taken from the month of January.
