

As much as we hate to cancel classes, we feel that with the mandated 100 person limit and the nature of our business being so hands on, we have to close for the next 2 weeks.

Please keep your April and May Fridays open as we are planning to run make up days and we are planning to extend our season by 1 week.

We are very disappointed as we know many of you are.

We hope to see your smiling faces in a few weeks :)
WASH YOUR HANDS (and turn off the news).
