The UConn Men's Club Hockey team competes in the American Collegiate Hockey Association (ACHA) and the Northeast Collegiate Hockey Association (NECHA) from September to March. All team members are UConn student-athletes who train weekly and will play 23 games this year. Proceeds from this tournament help contribute to expenses for travel and ice time. Home Games are played at Bolton Ice Palace or Toscano Family Ice Forum. Our schedule will be posted on uconnachockey.com, where you can also follow our season.

Please help support us by sponsoring or participating in this tournament in whatever capacity you can.

We will have multiple sponsorship levels: Hall of Fame, Stanley Cup, Calder Cup, and Power Play, as well as accepting any and all general donations whether in the form of money, or simply volunteering your time.

For more information, please contact UConn Club Hockey President and tournament organizer Nick Mastropaolo at

nicolas.mastropaolo@uconn.edu
