

Coast Communications Agreement for Residential Services

ABOUT THIS AGREEMENT, OUR SERVICES, AND YOUR RIGHTS

COAST COMMUNICATIONS CO. Service(s) will be provided to you ("you," "your," or "Customer") on the terms and conditions set forth in this Agreement for Residential Services (the "Agreement") and applicable law by the operating company that (i) owns and/or operates the cable television system in your area and/or (ii) the subsidiary that is the COAST COMMUNICATIONS CO. Digital Phone service provider ("Coast Communications Co.," "we," "us," or "our"). For purposes of this Agreement, "affiliate" means any entity that controls, is controlled by or is under common control with Coast Communications Co. Service(s) may include, but are not limited to, cable television service ("Video"), High-Speed Internet service, and Digital Phone service.

We may change our prices, fees, the Service(s) and/or the terms and conditions of this Agreement in the future. Unless this Agreement or applicable law specifies otherwise, we will give you thirty (30) days prior notice of any significant change to this Agreement. If you find the change unacceptable, you have the right to cancel your Service(s). However, if you continue to receive Service(s) after the end of the notice period (the "Effective Date") of the change, you will be considered to have accepted the changes. You may not modify this Agreement by making any typed, handwritten, or any other changes to it for any purpose.

Note: This Agreement contains a binding arbitration provision in Section 13 that affects your rights under this Agreement with respect to all Service(s). These terms and conditions are subject to applicable tariffs and service guides.

GENERAL TERMS AND CONDITIONS

1. ACCEPTANCE OF THIS AGREEMENT

You will have accepted this Agreement and be bound by its terms if you use the Service(s) or otherwise indicate your affirmative acceptance of such terms.

2. CHARGES AND BILLINGS

a. Charges, Fees, and Taxes You Must Pay. You agree to pay all charges associated with the Service(s), including, but not limited to, installation/service call charges, monthly service charges, Coast Communications Co. Equipment (as defined below) charges, measured and per call charges, applicable federal, state, and local taxes and fees (however designated), regulatory recovery fees for municipal, state and federal government fees or assessments imposed on Coast Communications Co., permitted fees and cost recovery charges, or any programs in which Coast Communications Co. participates, including, but not limited to, public, educational, and governmental access, universal service, telecom relay services for the visually/hearing impaired, rights-of-way access, and programs supporting the 911/E911 system and any fees or payment obligations imposed by governmental or quasi-governmental bodies for the sale, installation, use, or provision of the Service(s). **YOU WILL BE RESPONSIBLE FOR PAYING ANY GOVERNMENT IMPOSED FEES AND TAXES THAT BECOME APPLICABLE RETROACTIVELY.** We will provide you with notice and an effective date of any change in our prices or fees, unless the change in price is related to a change in governmental or quasi-governmental taxes, fees, or assessments, in which case we may elect not to provide notice except where required by applicable law. Not all fees apply to all Service(s).

- **For Video Customers.** Video price information is supplied with our Welcome Kit.
- **For High Speed Internet Customers.** Internet price information is available at <http://coastcommunications.com>
- **For Digital Phone Customers.** Digital Phone price information is available at <http://coastcommunications.com>
- **For Minimum Term Customers.** If you have agreed to a minimum term arrangement, your price for Service(s) is as specified in the minimum term arrangement.

b. How We Will Bill You. Unless you are subject to a minimum term arrangement, Service(s) are provided to you on a month-to-month basis. You will generally be billed monthly, in advance, for recurring service charges, equipment charges, and fees. **YOU MUST PAY, ON OR BEFORE THE DAY WE INSTALL ANY OR ALL OF THE SERVICE(S), THE FIRST MONTH'S SERVICE CHARGES, EQUIPMENT CHARGES, ANY DEPOSITS, AND ANY INSTALLATION CHARGES.** Your first bill may include pro-rated charges from the date you first begin receiving Service(s), as well as monthly recurring charges for the next month and charges for non-recurring services you have received. You may be billed for some Service(s) individually after they have been provided to you; these include measured and per-call charges (as explained below) and charges for pay-per-view movies or events. If you receive Service(s) under a promotion, after the promotional period ends, regular charges for the Service(s) will apply. We do not waive our rights to collect the full balance owed to us by accepting partial payment. We will apply the partial payment to the outstanding charges in the amounts and proportions that we determine.

- **For Digital Phone Customers.** If you pay a flat monthly fee for your calling plan, that fee may not cover certain types of calls. You will be billed for these excluded call types on a per-call basis (e.g., operator services) or a measured basis (e.g., international calls). Generally, for billing purposes, a measured call begins when the call is answered by the called party or an automated answering device (such as an answering machine or fax machine); it ends when one of the parties disconnects the call. However, some providers (e.g., those involved in calls to foreign countries) charge for a completed call when the called party's line rings or after a certain number of rings. If such a provider charges Coast Communications Co., its affiliates, or suppliers as if your call were answered by the called party, Coast Communications Co. will charge you for a completed call. Measured calls are recorded in whole minutes, with partial minutes rounded up to the next whole minute. If the charge for a measured call or for taxes or surcharges includes a fraction of a cent, the fraction is rounded up to the nearest whole cent. Our paper bills for Digital Phone contain only a summary of charges. You may call COAST COMMUNICATIONS CO. for a paper copy of outbound toll call records related to your most recent bill. There may be an additional charge for these outbound toll call records except as otherwise required by applicable law.

c. Third-Party Charges That Are Your Responsibility. You acknowledge that you may incur charges with third-party service providers such as accessing on-line services, calling parties who charge for their telephone-based services, purchasing or subscribing to other offerings via the Internet

Coast Communications Agreement for Residential Services

or interactive options on your Video Service that are separate and apart from the amounts charged by us. You are solely responsible for all such charges payable to third parties, including all applicable taxes. In addition, you are solely responsible for protecting the security of credit card and other personal information provided to others in connection with such transactions.

d. Alternative Billing Arrangements. Coast Communications Co. may agree to provide billing services on behalf of third parties, as the agent of the third party. Any such third-party charges shall be payable pursuant to any contract or other arrangement between you and the third party. We will not be responsible for any dispute regarding these charges between you and any third party. You must address all such disputes directly with the third party.

e. Payment by Credit Card or Check. If you use a credit card to pay for the Service(s), use of the card is governed by the card issuer agreement, and you must refer to that agreement for your rights and liabilities as a cardholder. If Coast Communications Co. does not receive payment from your credit card issuer or its agents, you agree to pay all amounts due upon demand. If you make payment by check, you authorize Coast Communications Co. to collect your check electronically. You agree that you may not amend or modify this Agreement with any restrictive endorsements (such as "paid in full"), or other statements or releases on or accompanying checks or other payments accepted by Coast Communications Co. and any such notations shall have no legal effect.

f. Our Remedies if You Pay Late or Fail to Pay.

- 1. Late or Non-Payments:** You may be billed fees, charges, and assessments related to late or non-payments if for any reason (a) Coast Communications Co. does not receive payment for the Service(s) by the payment due date or (b) you pay less than the full amount due for the Service(s). **YOU WILL BE ASSESSED A MINIMUM LATE FEE OF \$4.00 OR 10%, UP TO A MAXIMUM OF \$25.00, PER MONTH FOR ANY PAYMENT AMOUNT THAT HAS NOT BEEN PAID IN FULL by the 10th of the following month.**
- 2. Fees Not Considered Interest or Penalties:** Coast Communications Co. does not anticipate that you will fail to pay for the Service(s) on a timely basis, and we do not extend credit to customers. Any fees, charges, and assessments due to late payment or nonpayment are liquidated damages intended to be a reasonable advance estimate of our costs resulting from late payments and non-payments. These costs will be difficult to calculate or to predict when we set such fees, charges, and assessments, because we cannot know in advance: (a) whether you will pay for the Service(s) on a timely basis, if ever; (b) if you do pay late, when you will actually pay; and (c) what costs we will incur because of your late payment or non-payment.
- 3. Collection Costs:** If we use a collection agency or attorney to collect money owed by you, you agree to pay the reasonable costs of collection. These costs include, but are not limited to, any collection agency's fees, reasonable attorneys' fees, and arbitration or court costs.
- 4. Suspension/Disconnect:** If you fail to pay the full amount due for any or all of the Service(s) then Coast Communications Co., at its sole discretion in accordance with and subject to applicable law, may suspend or disconnect any or all the Service(s) you receive.

g. Reconnection Fees and Related Charges. If you resume Service(s) after any suspension, we may require you to pay a reconnection fee. If you reinstate any or all Service(s) after disconnection, we may require you to pay an installation fee and/or service activation fee. These fees are in addition to all past due charges and other fees. Reconnection of the Service(s) is subject to our credit policies, this Agreement and applicable law.

h. Your Responsibilities Concerning Billing Questions. Subject to applicable law, if you intend to dispute a charge or request a billing credit, you must contact Coast Communications Co. within sixty (60) days of the date on the bill. You waive any disputes or credits that you do not report within sixty (60) days.

3. REFUNDS AND REFUNDABLE DEPOSITS

We may require you to pay a refundable deposit when you activate the Service(s), if you add Coast Communications Co. Equipment and/or Service(s) or if you fail to pay any amounts when they are due. If we disconnect your Service(s) or are otherwise required under applicable law to refund the deposit, we shall within forty-five (45) days or as otherwise specified by applicable law return a sum equal to the deposit(s) you paid (without interest unless otherwise required by law) minus any amounts due on your account (including without limitation, any amounts owed for the Service(s) or for any Coast Communications Co. Equipment that is damaged, altered, or not returned).

Refunds can be requested by contacting Coast Communications during normal business hours and take 6 to 8 weeks to process. If you have questions or concerns about your payment, or to request a refund, please call Coast Communications at 360-289-2252 between the hours of 8 am and 6 pm, Monday through Friday.

4. CHANGES TO SERVICES

Subject to applicable law, we have the right to change our Service(s), Coast Communications Co. Equipment and rates or charges, at any time with or without notice. We also may rearrange, delete, add to, or otherwise change programming or features or offerings contained in the Service(s), including, but not limited to, content, functionality, hours of availability, customer equipment requirements, speed, and upstream and downstream rate limitations. If we do give you notice, it may be provided on your monthly bill, as a bill insert, email, in a newspaper or other communication permitted under applicable law. If you find a change in the Service(s) unacceptable, you have the right to cancel your Service(s). However, if you continue to receive Service(s) after the change, this will constitute your acceptance of the change.

5. ACCESS TO YOUR PREMISES AND CUSTOMER EQUIPMENT

a. Premises. You agree to allow us and our agents the right to enter your property at which the Service(s) and/or Coast Communications Co. Equipment will be provided (the "Premises") at reasonable times, for purposes of installing, configuring, maintaining, inspecting, upgrading, replacing and removing the Service(s) and/or Coast Communications Co. Equipment used to receive any of the Service(s). You warrant that you are either the owner of the Premises or that you have the authority to give us access to the Premises. If you are not the owner of the Premises, you are responsible for obtaining any necessary approval from the owner to allow us and our agents into the Premises to perform the activities specified above. In addition,

Coast Communications Agreement for Residential Services

you agree to supply us or our agent, if we ask, the owner's name, address, and phone number and/or evidence that the owner has authorized you to grant access to us and our agents to the Premises.

b. Customer Equipment. Customer Equipment means software, hardware or services that you elect to use in connection with the Service(s) or Coast Communications Co. Equipment. You agree to allow us and our agents the rights to insert cable cards and other hardware in the Customer Equipment, send software and/or "downloads" to the Customer Equipment and install, configure, maintain, inspect and upgrade the Customer Equipment and Coast Communications Co. Equipment. You warrant you are either the owner of the Customer Equipment or that you have the authority to give us access to the Customer Equipment. If you are not the owner of the Customer Equipment, you are responsible for obtaining any necessary approval from the owner to allow us and our agents access to the Customer Equipment to perform the activities specified above. In addition, you agree to supply us or our agents, if we ask, the owner's name, address and phone number and/or evidence that the owner has authorized you to grant access to us and our agents to the Customer Equipment to perform the activities specified above.

6. MAINTENANCE AND OWNERSHIP OF EQUIPMENT AND SOFTWARE

a. Coast Communications Co. Equipment. You agree that except for the wiring installed inside the Premises ("Inside Wiring"), or equipment purchased by you from Coast Communications Co., all Coast Communications Co. Equipment belongs to us or other third parties and will not be deemed fixtures or in any way part of the Premises. Coast Communications Co. Equipment means all software or "downloads" to Customer Equipment or Coast Communications Co. Equipment and all new or reconditioned equipment installed, provided or leased to you by us or our agents, including, but not limited to, cabling or wiring and related electronic devices, cable modems, Phone capable modems, wireless gateway/routers, CableCARDs, and any other hardware excluding equipment purchased by you from Coast Communications Co.. You agree to use Coast Communications Co. Equipment only for the Service(s) pursuant to this Agreement. We may remove or change the Coast Communications Co. Equipment at our discretion at any time the Service(s) are active or following the termination of your Service(s). You agree that our addition or removal of or change to the Coast Communications Co. Equipment may interrupt your Service(s). You may not sell, lease, abandon, or give away the Coast Communications Co. Equipment, or permit any other provider of video, high speed data or telephone services to use the Coast Communications Co. Equipment. The Coast Communications Co. Equipment may only be used in the Premises. At your request, we may relocate the Coast Communications Co. Equipment in the Premises for an additional charge, at a time agreeable to you and us. YOU UNDERSTAND AND ACKNOWLEDGE THAT IF YOU ATTEMPT TO INSTALL OR USE THE COAST COMMUNICATIONS CO. EQUIPMENT OR SERVICE(S) AT A LOCATION OTHER THAN THE PREMISES, THE SERVICE(S) MAY FAIL TO FUNCTION OR MAY FUNCTION IMPROPERLY. You agree that you will not allow anyone other than Coast Communications Co. or its agents to service the Coast Communications Co. Equipment. We suggest that the Coast Communications Co. Equipment in your possession be covered by your homeowners, renters, or other insurance. You will be directly responsible for loss, repair, replacement and other costs, damages, fees and charges if you do not return the Coast Communications Co. Equipment to us in an undamaged condition.

b. Customer Equipment.

- 1. Responsibility:** Coast Communications Co. has no responsibility for the operation or support, maintenance, or repair of any Customer Equipment including, but not limited to, Customer Equipment to which Coast Communications Co. or a third party has sent software or "downloads."
 - For Video, Internet and Phone Customers.** You agree by using the Service(s), you are enabling and authorizing Coast Communications Co., its authorized agents and equipment manufacturers to send code updates to the Coast Communications Co. Equipment and Customer Equipment, including, but not limited to, cable modems, digital interactive televisions with CableCARDs, and Phone capable modems at any time it is determined necessary to do so as part of the Service(s). Such code updates may change, add or remove features or functionality of any such equipment or the Service(s).
 - For Internet and Phone Customers.** You can find Coast Communications Co.'s current minimum technical and other requirements for Internet/Phone equipment at <http://coastcommunications.com>. Depending on availability in your area, you may have an option to install the Phone capable modem yourself or to have Coast Communications Co. install it for you. You agree to keep the Phone capable modem plugged into a working electrical power outlet at all times. Whether a cable modem, gateway/router, Phone capable modem or other device is owned by you or us, we have the unrestricted right, but not the obligation, to upgrade or change the firmware in these devices remotely or on the Premises at any time that we determine it necessary or desirable in order to provide Service(s) to you in accordance with our specifications and requirements.
 - For Phone Customers.** You acknowledge and understand Digital Phone may not support or be compatible with non-recommended configurations including, but not limited to, Phone capable modems not currently certified by Coast Communications Co. as compatible with Phone; Customer Equipment, including, but not limited to, non-Phone communications equipment, including certain makes or models of alarm and security systems or devices, certain medical monitoring, personal emergency alert, and home detention devices, certain fax machines, and certain "dial-up" modems; rotary-dial phone handsets, pulse-dial phone handsets, and models of other Phone-related communications equipment such as private branch exchange (PBX) equipment, answering machines, and traditional Caller ID units. In order to use Digital Phone, you are required to provide certain equipment such as a phone handset or equivalent, inside phone wiring and outlets, and an electrical power outlet. CERTAIN MAKES AND MODELS OF CORDLESS PHONES USE THE ELECTRICAL POWER IN YOUR HOME. IF THERE IS AN ELECTRICAL POWER OUTAGE, THE CORDLESS PHONE WILL CEASE TO OPERATE DURING THE OUTAGE, PREVENTING USE OF DIGITAL PHONE VIA THE CORDLESS PHONE. DO NOT ATTEMPT TO CONNECT CDV TO INSIDE PHONE WIRING YOURSELF. In order to use online features of Digital Phone, where we make those features available, you are required to provide certain hardware, such as a personal computer, software, an Internet browser, and access to the Internet.
- 2. Non-Recommended Configurations:** Customer Equipment that does not meet Coast Communications Co.'s minimum technical or other specifications constitutes a "Non-Recommended Configuration." NEITHER COAST COMMUNICATIONS CO. NOR ANY OF ITS AFFILIATES, SUPPLIERS OR AGENTS WARRANT THAT A NON-RECOMMENDED CONFIGURATION WILL ENABLE YOU TO SUCCESSFULLY INSTALL, ACCESS, OPERATE, OR USE THE SERVICE(S). YOU ACKNOWLEDGE THAT ANY SUCH INSTALLATION, ACCESS, OPERATION, OR USE COULD CAUSE CUSTOMER EQUIPMENT TO FAIL TO OPERATE OR CAUSE DAMAGE TO CUSTOMER EQUIPMENT, YOU, YOUR PREMISES OR COAST COMMUNICATIONS CO. EQUIPMENT. NEITHER COAST COMMUNICATIONS CO. NOR ANY OF ITS AFFILIATES, SUPPLIERS OR AGENTS SHALL HAVE ANY LIABILITY

Coast Communications Agreement for Residential Services

WHATSOEVER FOR ANY SUCH FAILURE OR DAMAGE. Coast Communications Co. reserves the right to deny you customer support for the Service(s) and/or terminate Service(s) if you use a Non-Recommended Configuration.

- No Unauthorized Devices or Tampering:** You agree not to attach or assist any person to attach, any unauthorized device to our cable network, Coast Communications Co. Equipment or the Service(s). If you make or assist any person to make any unauthorized connection or modification to Coast Communications Co. Equipment or the Service(s) or any other part of our cable network, we may terminate your Service(s) and recover such damages as may result from your actions. You also agree that you will not attach anything to the Inside Wiring, Coast Communications Co. Equipment, or Customer Equipment, whether installed by you or us, which singly or together impairs the integrity of our cable network or degrades our cable network's signal quality or strength or creates signal leakage. You also agree that we may recover damages from you for tampering with any Coast Communications Co. Equipment or any other part of our cable network or for receiving unauthorized Service(s). You agree that it would be difficult, if not impossible, to calculate precisely the lost revenue resulting from your receipt of unauthorized Service(s) or the tampering with Coast Communications Co. Equipment or our cable network. You therefore agree to pay us as liquidated damages, the sum of \$500.00 per device used to receive the unauthorized Service(s) in addition to our cost to replace any altered, damaged, or unreturned Coast Communications Co. Equipment or other equipment owned by Coast Communications Co., including any incidental costs. The unauthorized reception of the Service(s) may also result in criminal fines and/or imprisonment.

For all Digital Phone Customers. You will be liable for all authorized and unauthorized use at the Premises. You agree to notify us immediately in writing or by calling COAST COMMUNICATIONS CO. at 360-289-2252 during normal business hours if your Phone capable modem has been stolen or your Service(s) are being stolen or used without your authorization. When you call or write, you must provide your account number and a detailed description of the circumstances of the theft of your Phone capable modem or unauthorized use. If you fail to notify us in a timely manner, your Service(s) may be terminated without notice and you may incur additional charges.

For Digital Phone Customers. Except as described below, you may use Digital Phone with your telephone Inside Wiring, as long as we have reasonable access to it and you have the right to give us access to it. If you wish to have your Phone capable modem connected to your telephone Inside Wiring, you are advised to have a Coast Communications Co. technician perform the installation. To make that connection, we must first disconnect your telephone Inside Wiring from the network of your existing telephone provider, which may disable any services you receive from them. If you install Digital Phone yourself (where self-installation is an option), you should connect the Phone capable modem to a cordless phone, not directly to your telephone Inside Wiring. If the Phone capable modem is connected to your telephone Inside Wiring without first disconnecting the wiring from any existing telephone provider's network, the Phone capable modem may be damaged and/or Digital Phone may not operate properly.

7. USE OF SERVICES

You agree that the Service(s) and the Coast Communications Co. Equipment will be used only for personal, residential, non-commercial purposes, unless otherwise specifically authorized by us in writing. You will not use the Coast Communications Co. Equipment at any time at an address other than the Premises without our prior written authorization. You agree and represent that you will not resell or permit another to resell the Service(s) in whole or in part. You will not use or permit another to use the Coast Communications Co. Equipment or the Service(s), directly or indirectly, for any unlawful purpose, including, but not limited to, in violation of any posted Coast Communications Co. policy applicable to the Service(s). Use of the Coast Communications Co. Equipment or Service(s) for transmission, communications or storage of any information, data or material in violation of any U.S. federal, state or local regulation or law is prohibited.

You acknowledge that you are accepting this Agreement on behalf of all persons who use the Coast Communications Co. Equipment and/or Service(s) at the Premises and that you shall have sole responsibility for ensuring that all other users understand and comply with the terms and conditions of this Agreement and any applicable Coast Communications Co. policies including, but not limited to, acceptable use and privacy policies. You further acknowledge and agree that you shall be solely responsible for any transactions, including, without limitation, purchases made through or in connection with the Service(s). You agree to indemnify, defend and hold harmless Coast Communications Co. and its affiliates, suppliers, and agents against all claims and expenses (including reasonable attorneys' fees) arising out of the use of the Service(s), the Coast Communications Co. Equipment and/or the Customer Equipment or the breach of this Agreement or any of the applicable Coast Communications Co. policies by you or any other user of the Service(s) at the Premises.

- For Internet Customers.** The Coast Communications Co. Acceptable Use Policy ("AUP") and other policies concerning Internet are posted at <http://coastcommunications.com>. You further agree that Coast Communications Co. may modify the AUP or other policies from time to time. Notwithstanding anything to the contrary in this Agreement, YOU ACKNOWLEDGE AND AGREE THAT THE TERMS OF THE AUP AND ANY OTHER APPLICABLE COAST COMMUNICATIONS CO. POLICIES MAY BE PUT INTO EFFECT OR REVISED FROM TIME TO TIME WITH OR WITHOUT NOTICE BY POSTING A NEW VERSION OF THE AUP OR POLICY AS SET FORTH ABOVE. YOU AND OTHER USERS OF THE SERVICE(S) SHOULD CONSULT THE AUP AND ALL POSTED POLICIES REGULARLY TO CONFORM TO THE MOST RECENT VERSION.
- For Phone Customers.** The Coast Communications Co. Acceptable Use Policy for Residential Phone services ("Phone AUP") is posted at <http://coastcommunications.com>. COAST COMMUNICATIONS CO. RESERVES THE RIGHT TO LIMIT OR BLOCK ANY PHONE USAGE AS COAST COMMUNICATIONS CO. DEEMS NECESSARY TO PREVENT HARM TO ITS NETWORK, FRAUD, OR OTHER ABUSE OF PHONE SERVICES. You agree the Phone capable modem and Phone services will only be used at the Premises, except that certain online features may be accessible from locations other than the Premises. You understand and acknowledge that if you improperly install the Coast Communications Co. Equipment or Phone at another location in the Premises, then Phone including, but not limited to, 911/E911, may fail to function or may function improperly. If you move the Phone capable modem or Phone to another location without notifying us, you do so in violation of this Agreement and at your own risk. You agree not to use Phone for auto-dialing, continuous or extensive call forwarding, telemarketing, fax broadcasting or fax blasting, or for any other use that results in usage inconsistent with normal residential calling patterns. If we determine, in our sole discretion, that your use of Phone is in violation of this Agreement, we reserve the right (1) to terminate or modify immediately and without notice or (2) to assess additional charges for each month in which such violation occurred.

8. ASSIGNABILITY

This Agreement and the Service(s) furnished hereunder may not be assigned by you. You agree to notify us immediately of any changes of ownership or occupancy of the Premises. We may freely assign our rights and obligations under this Agreement with or without notice to you.

Coast Communications Agreement for Residential Services

9. TERMINATION OF THIS AGREEMENT

a. Term. This Agreement will be in effect from the time that the Service(s) are activated until (1) it is terminated as provided for by this Agreement or by any addendum to this Agreement or (2) it is replaced by a revised Agreement. If you self-install Coast Communications Co. Equipment, Service(s) charges begin the earliest of (1) the day on which you picked up Coast Communications Co. Equipment at our service center, (2) the day you install the Service(s), or (3) five (5) days after the date we ship the Coast Communications Co. Equipment to you. If you self-install a Phone capable modem, cable modem, or converter you obtained from a source other than Coast Communications Co., charges begin the day your order for the Service(s) is entered into our billing system. The option to self-install a Phone capable modem, cable modem, or converter from Coast Communications Co. is subject to availability.

b. Termination by You. Unless you have signed a minimum term addendum, you may terminate this Agreement for any reason at any time by notifying Coast Communications Co. in one of three ways: (1) send a written notice to the postal address for Coast Communications Co. business office (349 Damon Road NE, Ocean Shores, WA 98569); (2) send an electronic notice to the email address specified on www.coastcommunications.com or (3) call our customer service line during normal business hours. Subject to applicable law or the terms of any agreements with governmental authorities, all applicable fees and charges for the Service(s) will accrue until this Agreement has terminated, the Service(s) have been disconnected, and all Coast Communications Co. Equipment has been returned. We will refund all prepaid monthly service fees charged for Service(s) above \$10.00 after the date of termination (less any outstanding amounts due Coast Communications Co. for the Service(s), affiliate services, Coast Communications Co. Equipment, or other applicable fees and charges).

c. Suspension and Termination by Coast Communications Co.. Under the conditions listed below, Coast Communications Co. reserves the right, subject to applicable law, to act immediately and without notice to terminate or suspend the Service(s) and/or to remove from the Service(s) any information transmitted by or to any authorized users (e.g., email or Phonemail). Coast Communications Co. may take these actions if it: (1) determines that your use of the Service(s) does not conform with the requirements set forth in this Agreement, (2) determines that your use of the Service(s) interferes with Coast Communications Co.'s ability to provide the Service(s) to you or others, (3) reasonably believes that your use of the Service(s) may violate any laws, regulations, or written and electronic instructions for use, or (4) reasonably believes that your use of the Service(s) interferes with or endangers the health and/or safety of our personnel or third parties. Coast Communications Co.'s action or inaction under this Section shall not constitute review or approval of your or any other users' use of the Service(s) or information transmitted by or to you or users.

d. Your Obligations Upon Termination. You agree that upon termination of this Agreement you will do the following:

1. You will immediately cease all use of the Service(s) and all Coast Communications Co. Equipment;
2. You will pay in full for your use of the Service(s) up to the date that this Agreement has been terminated and the Service(s) are disconnected; and
3. Within ten (10) days of the date on which Service(s) are disconnected, you will return all Coast Communications Co. Equipment to us at our local business office or to our designee in working order, normal wear and tear excepted. Otherwise, you will be charged the amount set forth in the current pricing lists for such Coast Communications Co. Equipment, or the revised amount for which you receive notice; if no amount has been specified for the particular model of Coast Communications Co. Equipment, you will be charged the retail price for a new replacement. You may also be charged incidental costs that we incur in replacing the Coast Communications Co. Equipment. Upon our request during regular business hours at a time agreed upon by you and us, you will permit us and our employees, agents, contractors, and representatives to access the Premises during regular business hours to remove all Coast Communications Co. Equipment and other material provided by Coast Communications Co..

10. LIMITED WARRANTY

a. Application. The limitations of liability set forth in this Section apply to any acts, omissions, and negligence of Coast Communications Co. and its underlying third-party service providers, agents suppliers, distributors, licensors and business partners (and their respective officers, employees, agents, contractors or representatives) which, but for that provision, would give rise to a cause of action in contract, tort or under any other legal doctrine.

b. Customer Equipment. CUSTOMER EQUIPMENT MAY BE DAMAGED OR SUFFER SERVICE OUTAGES AS A RESULT OF THE INSTALLATION, SELF-INSTALLATION, USE, INSPECTION, MAINTENANCE, UPDATING, REPAIR, AND REMOVAL OF COAST COMMUNICATIONS CO. EQUIPMENT, CUSTOMER EQUIPMENT AND/OR THE SERVICES. EXCEPT FOR GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, NEITHER COAST COMMUNICATIONS CO. NOR ANY OF ITS AFFILIATES, SUPPLIERS, EMPLOYEES, AGENTS, OR CONTRACTORS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY DAMAGE, LOSS, OR DESTRUCTION TO THE CUSTOMER EQUIPMENT. IN THE EVENT OF GROSS NEGLIGENCE OR WILLFUL MISCONDUCT BY COAST COMMUNICATIONS CO., SUPPLIERS, EMPLOYEES, AGENTS, CONTRACTORS, DISTRIBUTORS, LICENSORS OR BUSINESS PARTNERS. WE SHALL PAY AT OUR SOLE

DISCRETION FOR THE REPAIR OR REPLACEMENT OF THE DAMAGED CUSTOMER EQUIPMENT UP TO A MAXIMUM OF \$500. THIS SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY RELATING TO SUCH ACTIVITY.

- **For Internet and Video Customers.** YOU UNDERSTAND THAT YOUR COMPUTER OR OTHER DEVICES MAY NEED TO BE OPENED, UPDATED, ACCESSED OR USED EITHER BY YOU OR BY US OR OUR AGENTS, IN CONNECTION WITH THE INSTALLATION, UPDATING OR REPAIR OF INTERNET OR VIDEO SERVICE(S). THE OPENING, ACCESSING OR USE OF YOUR COMPUTER, OTHER DEVICES USED IN CONNECTION WITH INTERNET OR VIDEO SERVICE(S) MAY VOID WARRANTIES PROVIDED BY THE COMPUTER OR OTHER DEVICE MANUFACTURER OR OTHER PARTIES RELATING TO THE COMPUTER'S OR DEVICE'S HARDWARE OR SOFTWARE. NEITHER COAST COMMUNICATIONS CO. NOR ANY OF ITS AFFILIATES, SUPPLIERS, OR AGENTS, SHALL HAVE ANY LIABILITY WHATSOEVER AS THE RESULT OF THE VOIDING OF ANY SUCH WARRANTIES.

c. Other Services or Equipment. BY ACCEPTING THIS AGREEMENT, YOU WAIVE ALL CLAIMS AGAINST COAST COMMUNICATIONS CO. FOR INTERFERENCE, DISRUPTION, OR INCOMPATIBILITY BETWEEN THE COAST COMMUNICATIONS CO. EQUIPMENT OR THE SERVICE(S) AND ANY OTHER SERVICE, SYSTEMS, OR EQUIPMENT. IN THE EVENT OF SUCH INTERFERENCE, DISRUPTION, OR INCOMPATIBILITY, YOUR SOLE REMEDY SHALL BE TO TERMINATE THE SERVICE(S) IN ACCORDANCE WITH SECTION 9.

d. Software. When you use certain features of the Service(s), such as online features (where available), you may require special software, applications, and/or access to the Internet. Coast Communications Co. makes no representation or warranty that any software or application installed on Customer Equipment, downloaded to Customer Equipment, or available through the Internet does not contain a virus or other harmful feature.
