

## **How To Check Your Data Usage**

To check your data usage, go to our website:

<https://coastcommunications.com/>

Click Resources, then Online Services at the top of the screen.

Click the button that says 'Check Your Data'

This should open a new tab on your browser.

The top right of the page, click MyAccount Login.

Enter your Coast Access email: xxxxx

And your password, then click Login.

After you click Login, you will see 4 boxes in the middle of the screen. Click the bottom right box that says Traffic Statistics.

You then can see your data usage for this week, last week, the current month, and the past 3 months.

The screenshot shows the MyAccount website interface. At the top, there is a navigation bar with icons for Home, Mail, Security, and MyAccount. Below this is a search bar and a 'MyAccount Login' button. A red arrow points to the 'MyAccount Login' button. The main content area features a 'Welcome To MyAccount' message, followed by 'What's New?', 'Did You Know?', and 'Recent Articles' sections. The left sidebar contains a navigation menu with categories like Email Center, Security Center, Technology Center, Web Space Center, and MyKnowledge.

The screenshot shows the MyAccount website interface, focusing on the 'MyAccount Features' section. The navigation bar at the top includes 'MyAccount Logout' and a search bar. The main content area displays 'MyAccount Features' with a sub-section 'Select a feature from the group below:'. There are four feature cards: 'Email Center', 'Web Space Center', 'Customer Service Center', and 'Traffic Statistics'. A red arrow points to the 'Traffic Statistics' feature card. The left sidebar contains a navigation menu with categories like Email Center, Security Center, Technology Center, Web Space Center, and MyKnowledge.
