Deal Diner is an advertising app specific to promoting your in-house restaurant and venue specials, giving you a greater reach directly to more customers.

Why Join Deal Diner?

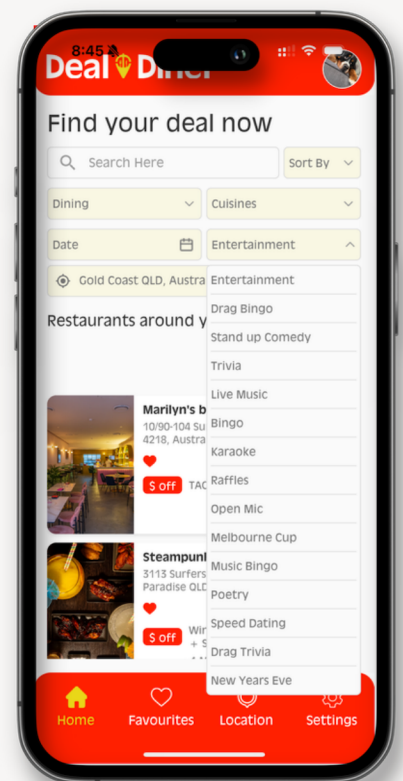

The only app that puts the restaurant first

- * Deal Diner directly advertises to your target consumer.
- * Showcase your current in-house specials to more people.
- * Boost new patronage and capitalise on add-ons and up-sells
- * Maintain your brand integrity.
- * No minimum pricing, discounts or coupons.
- * User friendly Restaurant Portal
- * 100% of the customer revenue goes to your venue / restaurant

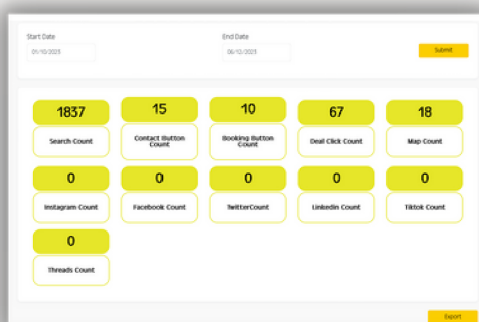

Be Found

- * Easy to use Search functions
- * Add entertainment as a feature with your specials
- * Diverse range of user base.
"Something for everyone"
- * Geolocated map
- * Directly connect your booking platform or use our built-in bookings request system.
- * Connect all of your socials
- * Connect customers to your Google reviews
- * Customers can view your full menu

Keep Track

- * Keep track of your restaurants performance by using the built in analytics feature.
- * Custom booking URLs can be added to individual deals for accurate tracking if your bookings provider has this option.

Deal Diner Marketing

- * Extensive marketing campaigns aimed at encouraging customers to download the Deal Diner app.
- * Users can share your deals with friends and family via email, text and socials.
- * Deal Diner partners with numerous influencers to enhance visibility & increase downloads
- * Strong digital presence with thousands of followers.

'YOU CAN MAKE DEAL DINER PART OF YOUR DIGITAL MARKETING STRATEGY'.
