USPS Indiana Leadership Training

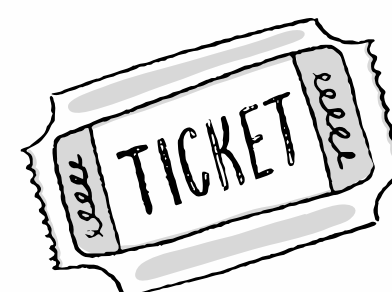

We are so glad that you will be joining us for the 2025 Indiana UPMA Chapter Convention!

Please plan to wear business casual for business meetings and perhaps semi-formal for the Scholarship Banquet on Sunday evening.

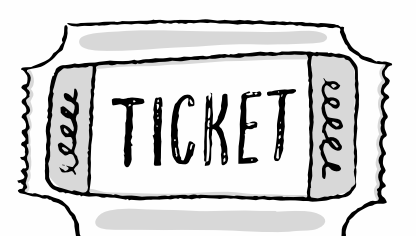

Convention is the best time of year to gather with other leaders from across your Chapter and grow your network of resources. Meet with the Executive Board of Indiana, National UPMA Executives and this year, Indiana Leadership teams. If you haven't already, invite a friend and get them registered too! You don't want to miss what is in store for you this year.

We look forward to seeing you!
