WELCOME TO ANTELOPE FEST 2025

We're absolutely buzzing to have you here for our debut craft beer celebration in the heart of Godalming. Whether you're a long-time fan of hazy hops or here to try something new, you're in great company.

Today is all about incredible independent breweries, festival-only beers, and soaking up the good stuff — one third at a time.

We've lined up 30 taps from some of the best breweries from the UK and further afield, with a jam-packed day of great beers, music, and good vibes all around.

Between pours, kick back and listen to some live music from local musicians.

Feeling peckish? Head out to the beer garden for freshly made pizza to keep you fuelled. It's the tastiest way to stay balanced.

Sip, don't sprint! Your ticket includes unlimited 1/3 pint tasters, so take your time and explore at your own pace.

Please drink responsibly, stay hydrated, and look out for your fellow festival-goers. Our team (and the breweries) are here to help make sure everyone has a safe and memorable day.

You made it to the very first Antelope Fest — now grab a glass, find a new favourite beer, and let the good times pour!
