## ***WHO WE ARE***

INDEX is today one of the world's leading designers and manufacturers of shop WINDOW and produces one of the highest quality of mannequins. INDEX has been built on its reputation of its new product design and innovation.

At INDEX, we're fluent in body language. Our conversations result in mannequin designs that fit your needs and your clothes. We start by listening so that we may better understand what our customers want to see.

## ***INNOVATION***

Our mannequins are fitted with many useful details as standard. In addition, we can realize individual ideas to adapt new or already existing mannequins to the varying requirements of our customers.

## ***ECONOMIC CHOICE***

INDEX's philosophy has always been to be the economical choice to their customers. When INDEX began making mannequins 15 years ago, INDEX decided to make a product that would offer the customer the best quality/price ratio on the market. This principle has never changed and has participated in making INDEX a leader in the mannequin industry today. Our production and sourcing know how allows us to produce at the most reasonable costs and enable the product of your projects within budget. Choosing INDEX means being sure of having the best possible product at the best possible price.
