

We recognize the importance of nurturing and supporting the next generation of talent in the Architecture/Engineering/Construction (A/E/C) industry. To promote excellence and encourage high school graduates to pursue their dreams in this dynamic field, we are delighted to announce our "A/E/C Industry Scholarship." This scholarship aims to provide financial assistance to exceptional students who aspire to make a positive impact in the A/E/C industry.

Scholarship Details:

1. Scholarship Amount: \$2,500 to each selected recipient.
2. Number of Scholarships: Three (3) scholarships are guaranteed to be awarded, with potential increases throughout the year based on available funding.
3. Eligibility Criteria:
 - Applicants must be high school students planning to enroll in an accredited college, university, or trade school with a focus on pursuing a career in the A/E/C industry.
 - Minimum 3.0 GPA requirement on a 4.0 scale.
 - Proof of acceptance or enrollment in an A/E/C-related program at any accredited institution of higher learning, including universities, colleges, community colleges and vocational schools.
4. Application Process:
 - Completed scholarship application form.
 - High school transcripts (official).
 - Two letters of recommendation from teachers, mentors, or professionals who can attest to the applicant's dedication or potential in the A/E/C industry.
5. Deadline: All application materials must be submitted by April 1, 2025. Late submissions will not be considered.

Selection Process:

- Our scholarship committee will review all applications thoroughly.

- Finalists will be invited for an interview, either in person or via video conferencing, to discuss their goals and aspirations in the A/E/C industry.
- The recipient(s) will be selected based on academic merit, passion for the industry, leadership potential, and the strength of their application materials.

Terms and Conditions:

- The scholarship funds will be disbursed directly to the recipients to assist with related academic expenses in the form of a cashier's check.
- The recipient(s) may be featured on our website or in promotional materials to showcase their achievements and inspire others.
- Scholarship recipients will have access to mentorship opportunities and career guidance from professionals in the A/E/C industry.
- AEC FUTURES FOUNDATION reserves the right to use the recipient's name and essay on the website for promotional purposes.

We are excited to support the dreams of young aspiring professionals in the A/E/C industry and look forward to receiving inspiring applications. By investing in these talented individuals, we hope to contribute to the growth and success of the industry.
