

Personal Information:

Full Name: _____

Date of Birth: ____/____/____

Address: _____

City: _____ State: _____ ZIP: _____

Phone Number: _____ Email: _____

High School Name: _____

Expected Graduation Date: ____/____

Essay Questions: **Use additional pages for your response.**

1. Briefly describe your interest in the Architecture, Engineering, and Construction (AEC) industry and your reasons for pursuing a career in this field. (Min 500 words)

2. Share an example of a project, innovation, or design in the AEC industry that has inspired you. Explain why this project, building, architectural design, etc. caught your attention and how it aligns with your career aspirations. (Min 300 words)

3. How do you envision your future role contributing to the advancement of sustainable and inclusive practices within the AEC industry? (Min 300 words)

Personal Essay:

Write a reflective essay (500-800 words) discussing your personal journey, experiences, and include your aspirations in relation to the AEC industry. You may address challenges you've faced, accomplishments you're proud of, and how you see your future path in the field. This essay offers an opportunity for the selection committee to understand you better as a candidate.

Academic Information:

GPA: _____ (on a scale of 4.0)

List any relevant courses, hands on experience, or extracurricular activities related to the AEC field:

References:

Please provide the contact information for two references who can speak to your academic achievements, character, and potential. (Teachers, counselors, mentors, etc.) Include your letters of recommendation.
